Comments for Public Posting: I support Councilmember Ysabel Jurado's resolution opposing the Aroyo Seco Water Reuse Project. The city Council is strongly urged to pursue all available legal actions to protect San Pascual Park and to ensure that our public parklands remain protected for current and future generations. Our political representatives must take the lead to respect our communities and promote the rights of those communities to determine our own futures.

Comments for Public Posting: I support this resolution to Save San Pascual Park. Please abandon the Arroyo Seco Water Reuse project. The damage to habitats and the trees is inexcusable during these times.
