CIS IN SUPPORT OF COUNCIL FILE

Gabrieleno Band of Mission Indians-Kizh Nation / Pasadena / South Pasadena / Arroyo Seco Water Reuse Project

7/14/26

Los Angeles City Council
200 N. Spring Street
Los Angeles, CA 90012

We declare that on July 14, 2026, a Brown Act noticed public meeting was held by the Eagle Rock Neighborhood Council (ERNC) at which a quorum was present. By a vote of 10 AYE and 2 NAY, the ERNC adopted the following Community Impact Statement concerning Council File #[26-0777](#):

The ERNC supports the resolution opposing the Pasadena / South Pasadena Arroyo Seco Water Reuse Project which would place industrial infrastructure on San Pascual Park land in violation of LA Charter Section 594(c) which protects parkland inviolate and in perpetuity.

This project threatens both cultural and environmentally sensitive lands identified by the Gabrieleno Band of Mission Indians - Kizh Nation. The proposed use of diverting water for irrigation to a golf course, without established water rights, and removal of mature trees on a federally designated wetland and oak/sycamore woodland does more damage than good.

Please place this letter in the case file, and acknowledge its receipt via email to: executive@ernc.la. Thank you.

Respectfully,

Flor Chaidez
President, Eagle Rock Neighborhood Council
