Comments for Public Posting: I grew up on Via Del Rey, South Pasadena, from the years 1966-2005 and have very fond memories of playing in San Pascual Park and it was very crowded with many children from the surrounding communities of Pasadena, Los Angeles and South Pasadena on weekends. I don't believe anything that destroys any parkland in this densely populated area is a good idea. Please preserve the park for public use instead of becoming a pool for a golf course, unless the golf course can pay to replace it with an equal amount of parkland from nearby areas.
