

Item 4 Amendment

I MOVE THAT Item 4 on today's agenda BE AMENDED to update recommendation 1, sub-bullet 4 to include the additional following language:

- Identification of facilities generating the highest demand on public safety resources citywide, **including the following information which should be provided by the facility operators:**
 - **The number of unique individuals served annually and the average number of individuals served per day of operation;**
 - **Data on service delivery outcomes such as, but not limited to, number of meals served, showers provided, and placements into interim or permanent housing;**
 - **A written response regarding their utilization of public safety resources, including steps being taken to improve operations and community relations; and**
