Comments for Public Posting: My name is Clementina Verjan and I live in Los Angeles. I urge this committee to support this lifesaving investment into our community's animal welfare. With this historic collaboration between LAAS, the ASPCA, and Best Friends Animal Society, we can save more lives going through our shelter system while also significantly improving this public service to our community. Thank you.

Comments for Public Posting: Dear LA City Council, Please vote to approve the historic \$14 million dollar partnership that Best Friends Animal Society and the ASPCA are offering LAAS to help make our city's animal shelters no kill. This offer will benefit our great city with no impact on our budget or additional taxpayer expense. It will therefore provide a vital service that our community needs, while helping to lower the cost of living for taxpayers. I hope that you will do the right thing and vote to approve the free assistance being offered. It would be a terrible mistake and show a lack of quality leadership to refuse such an offer to make the city of Los Angeles a humane, model no-kill city. Please vote YES and approve this partnership! For the animals, Hiedi
