Comments for Public Posting: I am in support of the proposed grant to Los Angeles Animal Services (LAAS) in the amount of \$14,220,000. In addition, I am recommending the passage of AB1634, The Healthy Pets Act introduced in 2007 by Assembly Member Levine (principal coauthor Senator Padilla, coauthors Assembly Members Nava and Solaris). This bill would prohibit any person from owning or possessing any cat or dog over the age of 6 months that has not been spayed or neutered, unless that person possesses an intact permit. The number of animals has dramatically increased each and every year since 2007. More nonprofits have been formed to assist with this dilemma. Please give consideration for the proposed grant and enactment of legislation for mandatory neuter/spay.

Comments for Public Posting: Please help to stop breeders from creating more dogs that people will take to shelters where they are already beyond capacity. Mandate that all pets should be spayed or neuter or pay a high fee. This way more funds can be generated for people that can't afford to fix their pets.

Comments for Public Posting: Dear city council members I know today is a very important day for the animals in the city of Los Angeles. You have the opportunity to make a life-saving decision for our animals who are surrendered to the shelters. on a daily basis, many of the animals who are surrendered to our LA city shelters are needlessly euthanized due to lack of space and stress from being in the kennels. There are many animals where euthanized who are perfectly good animals who would make great pets for families and committed owners. The staffers and the volunteers at our shelters, do the best that they can on a daily basis, but they would greatly benefit from this grant that is being offered to the city from best friends animal Society and the ASPCA this is the time to make a difference for the animals in Los Angeles so please be compassionate and caring and vote to accept this \$14 million grant to help improve our shelters so that we can become closer to no kill shelters thank you

Comments for Public Posting: My name is Annette McClain, and I am a Los Angeles County resident and founder of Golden Years & Gentle Paws Foundation. I respectfully urge the City Council to approve Council File 26-0832 and the \$14.22 million grant for Los Angeles Animal Services. Every dog and cat deserves safety, compassion, and the chance to find a loving home. As someone dedicated to helping animals, I know that strong shelters and partnerships save lives. This investment will strengthen our shelter system, support rescue organizations, improve care for homeless animals, and increase adoptions throughout Los Angeles. Our city has an opportunity to make a lasting difference for animals and the families who love them. Please vote YES on this lifesaving grant and help create a brighter future for Los Angeles' animals. Thank you for your time, your leadership, and your commitment to animal welfare.
