Comments for Public Posting: Hello! My name is Jocelyn Gomez and I live in Panorama City, CA. I urge this committee to support this lifesaving investment into our community's animal welfare. With this historic collaboration between LAAS, the ASPCA, and Best Friends Animal Society, we can save more lives going through our shelter system while also significantly improving this public service to our community. I support this investment and implore you to move forward with this as it will provide a way to cut down on animal cruelty, animal homelessness and help more humans as time progresses. Los Angeles wants and needs this. Thank you.

Comments for Public Posting: My name is Barbara Russo and I live at 13545 Vose st Van Nuys CA. I have been involved in animal rescue, fostering and TNR for the last 6 years. The plight of so many animals in our community is dire, and the staff who are working in shelters as well as the community volunteers are being overwhelmed trying to care for them. For this reason, I am urging you to support grant 26-0832. This is a lifesaving investment into our community's animal welfare. With this historic collaboration between LAAS, the ASPCA, and Best friends Animal Society, we can have a greater impact to save the lives of animals through our shelter system and improving this public service to our community. Thank you,
Barbara Russo

Comments for Public Posting: My name is Terry Shenkman and I am a resident of Culver City. For the past forty years I have adopted pets from the city or county shelters as well as rescue foundations such as Lange or Best Friends. Whenever I have visited the animal shelters it has always been heartbreaking that I could not take each and every sweet animal home with me. The sadness in the eyes of those left behind, since one cannot simply take all of the home, is truly heart wrenching. So, I was moved to write you to urge this committee to support this lifesaving investment of \$14,220,000. This historic collaboration between LAAS, Best Friends Animal Society and the ASPCA would save more lives in our shelter system. Of course it would also improve the shelters in our community. Hopefully provide behavioral training that enable a smoother transition to homes for adopted fur babies as well as improve conditions in the shelters while these precious animals are housed until they can be adopted. So please, support this grant. Thank you, Ms. Terry Shenkman

Comments for Public Posting: My name is Sara and I live in Sherman Oaks and volunteer at an LA Animal Shelter. It is alarming to see how much these animals need our help in these shelters, especially dogs that are being euthanized solely because of space and funding. I urge this committee to support this lifesaving investment into our community's animal welfare. With this historic collaboration between LAAS, the ASPCA, and Best Friends Animal Society, we can save more lives going through our shelter system while also significantly improving this public service to our community. Thank you!
