**Comments for Public Posting:** I'm in favor of the 14. Million towards animal shelters in LA. I burned in the Palisades Fire I have six rescue dogs. I'm 77 yrs old and I've lived here for 54 yrs. My husband recently died in August and I want to see this legislation go through

**Comments for Public Posting:** Please save our animals. Too many animals are being killed in our shelters due to lack of space, illness or behavioral issues linked to lack of play and being confined to their kennel. Our animals deserve better than to be cold-heartedly killed, not given a chance to have a loving family. Our officials, particularly Mayor Karen Bass, should be ashamed of themselves for ruthlessly cutting such an already minuscule budget. SAVE OUR ANIMALS
