

PUBLIC WORKS COMMITTEE REPORT relative to submitting an application to the Governor's Office of Land Use and Climate Innovation (LCI) for funding under Round 2 of the Extreme Heat and Community Resilience Program, and related matters.

Recommendations for Council action, pursuant to Motion (Blumenfield, Raman – Yaroslavsky):

1. INSTRUCT and AUTHORIZE the Bureau of Street Services (BSS), with the assistance of any other relevant agencies, to prepare and submit a pre-application form, full application, and any other required materials to the LCI for funding under Round 2 of the Extreme Heat and Community Resilience Program.
2. AUTHORIZE the BSS to partner with, at their discretion, a 501(c)(3) non-profit entity (or multiple entities) as the Co-applicant(s) on the preparation of the pre-application form, full application, and any other required materials, as per the requirements of Round 2 of the Extreme Heat and Community Resilience Program and to negotiate and execute any necessary agreements to do so.
3. AUTHORIZE the BSS to partner with ShadeLA and its constituent entities, and any other entities at the BSS's discretion, as Contributors on the preparation of the pre-application form, full application, and any other required materials, as per the requirements of Round 2 of the Extreme Heat and Community Resilience Program and to negotiate and execute any necessary agreements to do so.
4. AUTHORIZE the BSS to negotiate and execute the grant agreement, and any related documents, or any other necessary funding, cooperative agreements or contractual documents, with the LCI, subject to the approval of the City Attorney as to form and legality.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted

SUMMARY

At the meeting held on June 24, 2026, your Public Works Committee considered a Motion (Blumenfield, Raman – Yaroslavsky) relative to submitting an application to the LCI for funding under Round 2 of the Extreme Heat and Community Resilience Program, and related matters.

After an opportunity for public comment was held, the Committee moved to approve the recommendations contained in the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS COMMITTEE
