Comments for Public Posting: How DARE you try to force volunteers to provide MORE city service when you won't even allow us the respect to listen to us at city hall. Many Neighborhood Councils no longer organize community events due to required additional insurance because you fear of litigation. AND NOW you want us to be first responders. WHERE IS YOUR COMMON SENSE. I strongly oppose this recommendation. Why not have the Council District's Field Representatives do mandatory CERT training since they know our communities so well.

Comments for Public Posting: This is yet is another reason for NC members to quit. We are not recognized as public officials, nor volunteers, not employees. So why should we have to take yet another unnecessary training. I will commit to taking this training if it is mandated for the Mayor, Controller, City Attorney, all city council members and all general managers. Otherwise, since we already are mandated to take 5 other trainings, you should stop wasting time on mandating this as well. I vote e NO!!!!!!
