Summary:

On August 12, 2026, your Transportation Committee considered an August 4, 2026 Motion (Hutt – Park) relative to installing parking meters on West Adams Boulevard between Buckingham Road and Hillcrest Drive. According to the Motion, the installation of parking meters along this portion of West Adams Boulevard would more effectively manage scarce on-street parking by encouraging vehicle turnover and reducing traffic for drivers seeking a parking space. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion recommendation. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
