

MOTION

The California Endowment is a renowned private non-profit, statewide foundation committed to expanding access to affordable, high-quality health care for all Californians, particularly historically underserved individuals. Located in Chinatown, the California Endowment has been an instrumental partner in improving the quality of life for residents in Chinatown and Council District 1, many of whom disproportionately experience environmental impacts and adverse health outcomes.

One of the California Endowment's primary focus areas is fostering inclusive community development that supports communities and neighborhoods impacted by gentrification, displacement, environmental degradation, and growing health inequities. In effort to advance these goals, the California Endowment supports the motion to vacate the "Alameda Triangle," an underutilized, Public Right of Way located across the street from 1000 N Alameda Street in Council District 1 adjacent to its headquarters, for the purpose of developing open space and expanding community access to nature.

I THEREFORE MOVE the City Council, by adoption of this motion, initiate street vacation proceedings to vacate the "Alameda Triangle," the triangular parcel located east of North Alameda Street, south of Alhambra Avenue, and west of North Main Street, immediately adjacent to the California Endowment headquarters, pursuant to California Streets and Highways Code, Division 9, Part 3, Public Streets, Highways, and Service Easements Vacation Law.

I FURTHER MOVE that the City Council DIRECT the Bureau of Engineering (BOE) to investigate the feasibility of this request and report back to the Public Works Committee in 30 days with its findings and recommendations regarding the proposed vacation for the purpose of preserving and expanding open space.

I FURTHER MOVE that the City Council DIRECT the City Clerk to schedule this request for the City Council's consideration in accordance with the City's Street Vacation procedures.
