Comments for Public Posting: Dear Councilmembers, Thank you for supporting this motion. As a former Neighborhood Council member and a proactive community stakeholder, I attend the Congress of Neighborhoods annually. I find the event to be both informative and engaging, and I take public service seriously. I remain committed to public service and will continue engaging with all Neighborhood Councils in the City of Los Angeles. I believe democracy is strengthened through civic participation and engagement, which are essential to maintaining a vibrant community. Thank you,
Lionel Mares, MPA
