Comments for Public Posting: Please vote NO on agenda item 26-1100-S14!! We only want citizens voting in elections - there is no reason Los Angeles voting rules should fly in the face of what our national constitution says. Additionally, the voting age should remain 18 years of age.

Comments for Public Posting: Please Vote NO on Council File 26-1100-S14 - Every poll taken says 80% of Americans want greater election integrity. We want voter I.D. we want DO NOT want 16 & 17 yr olds given the right to vote and we want voting to be restricted to LEGAL U.S. Citizens. Like millions of others, my family immigrated to this country and studied for the citizenship test - They EARNED their right to vote, so should everyone else. Voting must remain a right reserved for legal citizens and legal adults age 18 and over. Thank you, Susan Collins

Comments for Public Posting: Please vote NO on item 94, 26-1100-S14. Only citizens should be allowed to vote, and adults of 18 years and older. It's ridiculous that this is even up for a vote. Who's trying to increase their voting base in order to remain in power? The answer is obvious.

Comments for Public Posting: Please vote NO on Agenda Item 26-1100-S14. We, the citizens of this country, want to remain like every other reasonable and sane country on Earth and only allow CITIZENS of this country to vote. Likewise, we want the voting age to remain at 18. If anything, given the state of this generation coming of age with social media, we should consider INCREASING the age minimum if anything.
