

Goldenvoice LLC (Organizer) plans to host the annual Camp Flog Gnaw Carnival (Event) between November 14 and November 15, 2026 in the City of Los Angeles at Dodger Stadium. To advance safety, the Organizer and the City collaborate in planning security, transportation, and crowd management requirements for the Event.

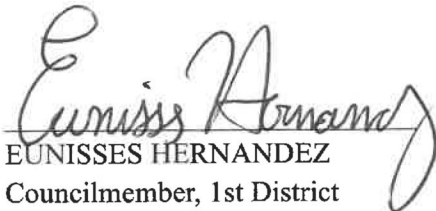

The Event is subject to the Special Events Ordinance which requires the recovery of costs for City services from the event sponsor. The Ordinance also provides for negotiations with major sports or entertainment venues to clarify reimbursement terms. In support of the long-standing partnership with the City, the Organizer desires to provide the City with reimbursement for all necessary supplemental services provided in connection with the Event.

I THEREFORE MOVE that the Council instruct the City Administrative Officer (CAO) and Chief Legislative Analyst to negotiate a long-term contract between the City and Goldenvoice LLC (Organizer) to provide supplemental City services for the annual Camp Flog Gnaw Carnival (Event) and future events in the City of Los Angeles, with full reimbursement of all required and/or requested supplemental City services;

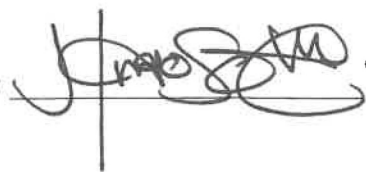

I FURTHER MOVE that the Council authorize the use of supplemental Police law enforcement services to support the Event and future events, with full reimbursement of Police law enforcement services, in accordance with California Government Code section 53069.8; and

I FURTHER MOVE that the Council authorize the CAO to execute and administer a contract between the City and Organizer, and contract amendments to extend the term up to a total of five-years for future events, subject to the approval of the City Attorney as to form and legality.
