Comments for Public Posting: Hi there. My name is Colin Warn, zip code 90292. I'm reaching out today to express my support to have the Venice portion of the Marvin Braude bike path repaved and widened. I'm a frequent user of the path for commuting as well as recreation. I would also like to request that this motion be amended to include a fully protected bike path be placed along Washington Boulevard. Thank you very much again for introducing this motion.
