SUMMARY

At its meeting held on September 16, 2026, your Arts, Parks, and City Facilities Committee considered Motion (Park – Hutt) relative to instructing the DOT, with the assistance of the BOE, RAP, and Los Angeles County Public Works to report to Council with an assessment of the cost, funding opportunities and resources needed to widen the Marvin Braude Bike Trail through Venice Beach to accommodate a pedestrian path in time for the 2028 Olympic and Paralympic Games. The widening of the Marvin Braude Bike Trail to create a separate pedestrian path would enhance safety, reduce conflicts, and improve access during the 2028 Olympic and Paralympic Games. After an opportunity for public comment was held, the Committee recommended to approve the Motion, as detailed above. This matter is now forwarded to the Council for its consideration.
