Comments for Public Posting: I would like for speed bumps to be place at Alondra and Figueroa /Redondo beach and Figueroa/ Gardena blvd and Figueroa. To stop the street takeovers and dangerous car stunts that are happening in my neighborhood.

Comments for Public Posting: I am in support of motion 26-1150 regarding the street takeovers and racing that happens just about every Friday, Saturday and Sunday night at the intersection of Figueroa and Alondra. I have noticed at some nearby intersections, large rubber bumps have been installed to prevent this illegal and dangerous activity and it seems to work? Impounding vehicles will also help. Thank you.
