

PUBLIC SAFETY COMMITTEE REPORT relative to the Fiscal Year 2025-26 Annual Report for the Los Angeles Fire Department Special Training Fund 40J.

Recommendation for Council action:

NOTE and FILE the Board of Fire Commissioners report dated August 19, 2026, relative to the LAFD Special Training Fund 40J Fiscal Year 2025-26 Annual Report.

Fiscal Impact Statement: The Board of Fire Commissioners reports that the Special Training Fund absorbs training costs that would otherwise burden the General Fund. If Vocational Education Training funding were interrupted, numerous mandatory certifications and re-certifications could not occur within the LAFD budget and would need to be absorbed by the General Fund. Revenue receipts over \$1.5 million must be transferred to the General Fund, limiting LAFD's ability to fund training. Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted
