Comments for Public Posting: I would like to express my gratitude for the appointment of Karla Ramos to the Community Forest Advisory Committee (CFAC) as the Council District Seven Primary Representative. As a longtime resident of the northeast San Fernando Valley, I believe it is imperative that our community members have proper representation in local government. For too long, our community has been neglected or ignored, and I believe that having a member of our community appointed to an advisory body helps raise awareness of the environmental injustice our people face due to climate change, lack of open green space, limited tree canopy, and other issues impacting our neighborhoods. Thank you, and I look forward to collaborating with your council district to further strengthen our communities. Sincerely yours, Lionel Mares, MPA
