

MOTION

101st Street between Lou Dillon Avenue and Juniper Street in the Jordan Downs Redevelopment area has become a public nuisance. The segment has become the site of significant illegal dumping and other criminal activity. Eventually this segment will be improved by the Housing Authority of the City of Los Angeles; however, in order to address safety and cleanliness concerns prior to reconstruction, it is necessary to temporarily close this segment.

Pursuant to State Vehicle Code Section 21101.4, the City is authorized to undertake the temporary closure of public streets for a period of eighteen months when necessary to mitigate criminal activity and/or illegal dumping.

I THEREFORE MOVE that the City Engineer be instructed to report with recommendations to temporarily close 101st Street between Lou Dillon Avenue and Juniper Street in the Jordan Downs Redevelopment area, pursuant to State Vehicle Code Section 21101.4.
