Honorable City Council
City of Los Angeles
c/o: Office of the City Clerk
City Hall, Room 395

Honorable Members of the City Council:

Subject:

Hansen Dam Recreation Area – Discovery Cube Los Angeles – Approval of Amendment to Lease – Categorically Exempt from the Provisions of the California Environmental Quality Act (CEQA) Pursuant to Article 19, Section 15301 [Permitting, Leasing, Licensing, or Minor Alteration of Existing Public or Private Structures, Facilities, Mechanical Equipment, or Topographical Features, Involving Negligible or No Expansion of Existing or Former Use] of California CEQA Guidelines and Article III, Section 1, Class 1(14) of City CEQA Guidelines

Recommendation for Council Action:

The Board of Recreation and Park Commissioners (Board) respectfully requests City Council (i) Approve the proposed Lease Amendment (Amendment) as to form, allowing Discovery Cube Los Angeles (DCLA) facility expansion under Lease Agreement between City of Los Angeles (City) and the Discovery Science Center of Los Angeles, and subject to the master lease agreement between City and the United States Army Corps of Engineers (USACE).

Background:

DCLA is an approximately 57,000 square foot museum and science center located at 11800 Foothill Boulevard, in the Lake View Terrace community of the City of Los Angeles (City). DCLA is located on a 2.5-acre site within the 1,450-acre Hansen Dam Recreation Area.

On December 10, 2012, the Board of Recreation and Park Commissioners (Board) approved a Lease between the Discovery Science Center of Los Angeles (DSCLA), a non-profit organization based in the City of Santa Ana in Orange County, and the City, acting by and through the Board, for the use, operation, and maintenance of a children's museum and environmental awareness learning center in Hansen Dam Recreation Area, proposed to be called the Discovery Science Center of Los Angeles. The facility, which is now known as DCLA, opened to the public on November 13, 2014.

The Lease was executed on January 4, 2013, and has a term of 30 years with an option to extend for an additional 20-year term. The Lease requires DCLA, working in cooperation with the City, to

Honorable City Council

raise and make available the funds necessary to make improvements to the existing building and to design, fabricate and install the Center's exhibit program. DCLA is also responsible for any costs associated with the long-term operation and maintenance of the Center, including all security, maintenance, and custodial services costs. The City may, but has no obligation to, assist DCLA in identifying and securing funding for the operation and maintenance of the facility. The City has no obligation to perform any maintenance or to make any repairs to the facility at any time during the term of this Lease.

Pursuant to the terms of Article 5 of Exhibit E ("Improvements and Exhibits Agreement") of the Lease, any modifications to the plans and design for the Center's exhibit program, when completed, must be submitted to RAP for review, and presented to the Board for consideration, prior to any construction taking place at the site.

It should be noted that a portion of the Project, described forthwith in the following section, is located on federally-owned land managed by the USACE. The federally-owned is leased to City for recreational purposes pursuant to Department of the Army Lease No. DACW09-1-69-45 between USACE and the City located within the Hansen Flood Control Basin. Pursuant to the terms of both the Lease between RAP and DCLA and the Department of the Army Lease No. DACW09-1-69-45, the Project is also subject to the approval of the USACE. USACE has reviewed the Project and provided a Letter of No Objection (Attachment 2).

Fiscal Impact Statement:

The approval of the lease amendment will have no impact to RAP's General Fund.

BOARD REPORT

PG. 2 NO. 26-188

SUMMARY

DCLA is an approximately 57,000 square foot museum and science center located at 11800 Foothill Boulevard, in the Lake View Terrace community of the City of Los Angeles (City). DCLA is located on a 2.5-acre site within the 1,450-acre Hansen Dam Recreation Area.

On December 10, 2012, the Board of Recreation and Park Commissioners (Board) approved a Lease between the Discovery Science Center of Los Angeles (DSCLA), a non-profit organization based in the City of Santa Ana in Orange County, and the City, acting by and through the Board, for the use, operation, and maintenance of a children's museum and environmental awareness learning center in Hansen Dam Recreation Area, proposed to be called the Discovery Science Center of Los Angeles. The facility, which is now known as DCLA, opened to the public on November 13, 2014.

The Lease was executed on January 4, 2013, and has a term of 30 years with an option to extend for an additional 20-year term. The Lease requires DCLA, working in cooperation with the City, to raise and make available the funds necessary to make improvements to the existing building and to design, fabricate and install the Center's exhibit program. DCLA is also responsible for any costs associated with the long-term operation and maintenance of the Center, including all security, maintenance, and custodial services costs. The City may, but has no obligation to, assist DCLA in identifying and securing funding for the operation and maintenance of the facility. The City has no obligation to perform any maintenance or to make any repairs to the facility at any time during the term of this Lease.

Pursuant to the terms of Article 5 of Exhibit E ("Improvements and Exhibits Agreement") of the Lease, any modifications to the plans and design for the Center's exhibit program, when completed, must be submitted to RAP for review, and presented to the Board for consideration, prior to any construction taking place at the site.

It should be noted that a portion of the Project, described forthwith in the following section, is located on federally-owned land managed by the USACE. The federally-owned is leased to City for recreational purposes pursuant to Department of the Army Lease No. DACW09-1-69-45 between USACE and the City located within the Hansen Flood Control Basin. Pursuant to the terms of both the Lease between RAP and DCLA and the Department of the Army Lease No. DACW09-1-69-45, the Project is also subject to the approval of the USACE. USACE has reviewed the Project and provided a Letter of No Objection (Attachment 2).

PROJECT

DCLA is requesting an Amendment (Attachment 1) to their current Lease that will extend their boundaries on the West side facing Hansen Dam Recreation Center playground, as well as to the South along the larger parking lot's eastern border (Project). The expansion consists of three parcels: Parcel 1 is across vacated Stonehurst Avenue by Hansen Dam Recreation Center and Parcels 2 and 3 are across Osborne Street by the parking lot. The three parcels added in this Project will be used for educational demonstrations, outdoor events, and family friendly events. Soon after the approval of this Report, plans and designs will be submitted to RAP for review and presented to Board for consideration.

DCLA understands that in asking for an expansion of their leased premises, all of their current lease requirements will apply to the expansion area. As such, DCLA recognizes that all of their maintenance

BOARD REPORT

PG. 3 NO. 26-188

responsibilities will apply to the new area. Since there are existing RAP irrigation and sewer lines through the proposed expansion area that serves the RAP-operated Hansen Dam Recreation Center next door, DCLA will be rerouting the lines to keep our systems separate. DCLA has also agreed to fence off these sections according to RAP recommendations. Fencing along the vacated Stonehurst Avenue will be relocated and new fencing will be installed along the entirety of the expansion. Approximately 500 linear feet of vinyl post and rail fence for horse trails on Parcel 2, South of Osborne Street, similar to the existing fence along the North side of Foothill Boulevard.

Upon approval of this Report, DCLA can commence with the development of detailed working drawings, specifications, and final plans needed to initiate the design, fabrication, and installation of the proposed Project. Per Exhibit E of the Lease, final plans will be subject to review by the Board prior to installation.

TREES AND SHADE

There will be no impact to the trees and shade at the Project site.

ENVIRONMENTAL IMPACT

The proposed Project consists of leasing, existing public facilities, involving negligible or no expansion of existing or former use.

According to the parcel profile report retrieved from NavigateLA (www.navigate.la.lacity.org) on July 16, 2026, this site is not within a coastal, methane, historic protection or liquefaction zone, so there is no reasonable possibility that the proposed Project may impact on an environmental resource of hazardous or critical concern or have a significant effect due to unusual circumstances. No other known projects would involve cumulatively significant impacts, and no future projects would result from the proposed Project. As of July 16, 2026, the State Department of Toxic Substances Control (DTSC) (Envirostor at www.envirostor.dtsc.ca.gov) and the State Water Resources Control Board (SWRCB) (Geotracker at <https://geotracker.waterboards.ca.gov/>) have not listed the Project site. They listed two leaking underground storage tank (LUST) near the Project area (within 1,000 feet). T0603702267 is a LUST in a former gasoline station that ceased operations in 1989. The tanks were removed in 1990, but contaminated soil was found beneath the tanks and from 2000, through 2006 soil, free product and soil vapors were extracted using different techniques. The Regional Water Quality Control Board (RWQCB) closed the case in 2010, stating that residual concentrations of gasoline in the soil are well beneath EPA screening levels. T0603749842 is a LUST found in a RAP's maintenance yard. The RWQCB closed the case in 2011, finding that no action was necessary. According to the Caltrans Scenic Highway Map, there is no scenic highway located within or adjacent to the Project site. In regard of the impact on historic resources, in 2012, Survey LA found that Hansen Dam Recreation Area is eligible to be listed in the National Register of Historic Places and the California Register of Historic Resources, and also designated as a City of Los Angeles Historic Cultural Monument. However, the leasing of an additional portion of this site is not going to affect the historic significance of the site.

Based on this information, RAP staff recommends that the Board determines that the proposed Project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article 19, Section 15301 of California CEQA Guidelines and Article III Section 1, Class 1(14) of City CEQA Guidelines. Staff will file a Notice of Exemption with the Los Angeles County Clerk and the Governor's Office of Land Use and Climate Innovation upon Board's approval.

FISCAL IMPACT

The approval of the lease amendment will have no impact to RAP's General Fund.

RECITALS

A. City and DSCLA previously entered into that certain Lease Agreement, dated as of December 31, 2012 (“Original Lease”, as amended by this First Amendment, the “Lease”), whereby City leased to DSCLA certain property in and around the Hansen Dam Recreation Area. A copy of the Original Lease is attached hereto as **Attachment 1**. Unless otherwise defined or modified in this First Amendment, defined terms used herein shall have the meaning ascribed thereto in the Original Lease.

B. City and DSCLA now desire to amend the Original Lease to expand the leased premises in order to accommodate DSCLA’s contemplated expansion of the Center’s outdoor space.

NOW, THEREFORE, for just and proper consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree to the following:

AGREEMENT

1. **Premises.** Effective upon the attestation of this First Amendment by the Los Angeles City Clerk (“First Amendment Effective Date”), the “Premises”, and all references relating thereto in the Lease, including without limitation Exhibit A (Map and Legal Description) of the Original Lease, shall mean the new, expanded leased premises (in the aggregate, including both the original premises and the expanded space), the entirety of which is depicted and described in **Attachment 2** to this First Amendment. DSCLA hereby accepts the Premises on an “as-is” basis as of the effective date of this First Amendment.

2. **Master Lease.** DSCLA hereby acknowledges that, while City is the fee owner with respect to a certain portion of the Premises, City is only a leasehold owner with respect to the remainder portion of the Premises, and such leasehold interest of the City arises from that certain Department of the Army Lease No. DACW09-1-69-45 (as amended from time to time, the “Master Lease”), which Master Lease is more particularly referenced in Section 1.2.1 of the Original Lease. DSCLA hereby acknowledges that DSCLA has been provided a copy of the Master Lease and represents that DSCLA has reviewed the Master Lease. DSCLA agrees that the Lease is subject and subordinate to the terms and conditions of the Master Lease, and DSCLA shall not commit or permit to be committed on the Premises any act or omission that violates any term or condition of the Master Lease. In the event the Master Lease is terminated prior to the expiration or termination of the Lease, the Lease shall automatically and immediately terminate. Furthermore, in the event and to the extent that the premises under the Master Lease is modified so that a portion of the Premises under the Lease that is currently part of the Master Lease premises is no longer part of the Master Lease premises (“Deleted Portion”), that Deleted Portion shall be deemed automatically and immediately removed from the Premises and no longer be subject to the Lease, and DSCLA shall no longer have any right from the City to occupy or otherwise use the Deleted Portion.

3. **Term.** City and DSCLA acknowledge that, pursuant to Section 2.1 of the Original Lease, the term of the Lease is currently scheduled to expire at midnight on January 3, 2043, subject to other terms and conditions of the Original Lease. DSCLA further acknowledges that the Master Lease is currently scheduled to expire on January 20, 2044, subject to other terms and conditions of the Master Lease. Notwithstanding anything to the contrary in the Original Lease, any of DSCLA’s right to the extend the term of the Lease under the Original Lease, including without limitation DSCLA’s option to extend the term of the Lease by a period of twenty (20) years pursuant to Section 2.1 of the Original Lease, may be exercised by DSCLA only if both of the following conditions are satisfied: (i) DSCLA exercises the said option in writing to City during the window of time between January 1, 2041, and December 31, 2041, and (ii) at the time DSCLA exercises the said option during that aforementioned window of time, the Master Lease has been formally amended in writing so that the then-scheduled expiration of the term of the Master Lease is later than January 3, 2063.

4. **City Improvements.** DSCLA hereby acknowledges that all of City’s obligation under the Original Lease to design and/or construction any improvement, including without limitation those certain improvements specified in Exhibit B (Premises Improvements to be Completed by City) of the Original Lease, has been completed to the satisfaction of DSCLA, and, as of the date of this First Amendment, there is no existing obligation under the Lease for the City to design or construct any improvement on any portion of the Premises.

5. **DSCLA Improvements.** The additional space added by this First Amendment to the original premises under the Original Lease (“Expanded Outdoor Space”) shall be used solely as additional outdoor space of the Center and shall be operated by DSCLA solely as a part of the Center at all times. In no event shall the City be obligate to make improvement to the Expanded Outdoor space. DSCLA, at its sole cost and expense, shall complete the design and construction of all of those improvements specified in **Attachment 3** to this First Amendment (“Expanded

Outdoor Space Improvements”) by the first anniversary of the First Amendment Effective Date. In the event DSCLA fails to complete the Expanded Outdoor Space Improvements by the said deadline, City shall have the right to terminate the Lease with respect to the Expanded Outdoor Space. DSCLA’s design and construction of the Expanded Outdoor Space Improvements shall be subject to all terms and conditions applicable to improvements to be made upon the Premises, including without limitation Exhibit E (Improvements and Exhibits Agreement) of the Original Lease.

6. **Standard Provisions for City Contracts.** In light of the fact that the City’s Standard Provisions for City Contracts has been amended since the execution of the Original Lease, Exhibit F (Standard Provisions for City Contracts) of the Original Lease is hereby deleted in its entirety and replaced with **Attachment 4** to this First Amendment.

7. **Possessory Interest Tax.** DSCLA acknowledges that, by entering into the Lease and accepting the benefits thereof, a property interest may be created known as "possessory interest" and such property interest will be subject to property taxation, subject to any exemption the County Assessor may grant pursuant to DSCLA’s application therefor. DSCLA, as the party in whom the possessory interest is vested, may be subject to the payment of the property taxes levied upon such interest. DSCLA acknowledges that the notice required under California Revenue and Taxation Code section 107.6 has been provided.

8. **Accessibility Disclosure.** As required by Section 1938(e) of the California Civil Code, City hereby states as follows: “A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.” In furtherance of the foregoing, City and DSCLA hereby agree that any CASp inspection requested by DSCLA shall be conducted, at DSCLA’s sole cost and expense, by a CASp approved in advance by City. In the event any such CASp inspection requested by DSCLA indicates that repairs or modifications are required to cause the Premises to comply with applicable construction-related accessibility standards, City shall not be required to perform any such repairs or modifications.

9. **Memorandum of Lease.** Upon request of City, a new memorandum of lease, in a form substantially the same as that certain Memorandum of Lease recorded as Instrument No. 2013-_____ in of the Official Records of the County of Los Angeles, which was recorded in connection with the execution of the Original Lease, shall be completed and executed by both parties to this First Amendment, reflecting the changes made by this First Amendment to the Original Lease. DSCLA understands that the Lease may be considered a public document and, therefore, may be made available to members of the general public.

10. **RESERVED.**

11. **Border Wall Contracting.** The Lease is subject to Section 10.50, Article 24, Chapter 1, Division 10 of Los Angeles Administrative Code related to Disclosure of Border Wall Contracting. DSCLA shall complete fully and accurately an affidavit listing all Border Wall Bids and Border Wall Contract (as those terms are defined in the said Section 10.50). City shall have the right to terminate the Lease at any time if City determines that DSCLA failed to fully and accurately complete the affidavit and disclose all Border Wall Bids and Border Wall Contracts.

12. **Use of Criminal History for Consideration of Employment Applications.** The Lease is subject to Section 10.48, Article 22, Chapter 1, Division 10 of Los Angeles Administrative Code related to use of criminal history for consideration of employment applications. DSCLA shall fully comply with the said Section 10.48. City shall have the right to terminate the Lease at any time if City determines that DSCLA failed to fully comply with the said Section 10.48.

13. **Attorneys' Fees.** In the event of any dispute or controversy arising out of or in connection with the Lease, the non-prevailing party shall not be obligated to pay to the prevailing party any attorneys' fees and court costs incurred by the prevailing party.

14. **Ratification of Original Lease.** All terms and conditions of the Original Lease are hereby ratified and confirmed, except as modified by this First Amendment. The Original Lease shall remain in full force and effect, except as expressly modified by this First Amendment. In the event of any irreconcilable conflict between the terms of the Original Lease, including any exhibits thereto, and this First Amendment, any exhibits/attachments hereto, the terms of this First Amendment shall prevail.

15. **Counterparts.** This First Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this First Amendment via an email attachment shall be effective as delivery of a manually-executed counterpart of this First Amendment.

To the extent that there are sewage lines and storm drainage lines within the boundaries of the Premises which predate this Lease or which were installed by CITY (other than for exclusive use of the Center): (i) CITY retains an easement across the Premises for such sewage lines and storm drainage lines, including the right to access such lines for the purpose of inspection, repair, and relocation, and DSCLA shall not construct any improvements over such sewage lines or storm drainage lines without the prior written consent of the General Manager, which shall be at the General Manager's sole discretion, and (ii) CITY shall maintain and repair such sewage lines and storm drainage lines. In the event that sewer and/or drainage lines (if any) within the boundaries of the Premises are replaced, repaired or relocated as an element of a CITY project not related to the Center, CITY agrees to restore, at its sole expense, any landscaping and ground conditions existing prior to such activity.

ARTICLE 9. COMPLIANCE WITH ALL LAWS AND REGULATIONS

9.1. Federal, State and Local Laws. The following coverages shall be maintained by DSCLA at its sole cost and expense throughout the Term of this Lease. Evidence of such coverage shall be provided to CITY by DSCLA in accordance with the Instructions and Information on Complying with City Insurance Requirements attached hereto and incorporated herein by reference as Exhibit D "Instructions and Information on Complying with City Insurance Requirements", which includes the following:

10.1.1.2. That the insurance is primary and not contributing with any other insurance maintained by the City of Los Angeles.

10.1.1.3. With respect to the interests of CITY, if an insurance company elects to cancel insurance before the stated expiration date, or declines to renew in the case of a continuous policy, or materially reduces the coverage period by changing the retroactive date (if any), or the extended discovery period (if any), or reduces the stated limits other than by impairment of an aggregate limit, or materially reduces the scope of coverage which affects CITY's interest, the company will provide CITY at least thirty days' prior written notice of such election (ten days for non-payment of premium). Notice will be addressed as follows: City of Los Angeles, CAO, Risk Management, 200 North Main Street, 12th Floor, Los Angeles, California 90012, or at such address as CITY may, from time to time, specify by written notice.

10.1.2. Property Coverage. At all times during the Term of the Lease with respect to any improvements on the Premises including, without limitation, the building containing the Center and Center Exhibits, DSCLA shall, at its sole cost and expense, cause to be provided and kept in force and effect insurance policies, protecting CITY and DSCLA as their interests may appear, against loss or damage to the improvements on the Premises, in an amount consistent with what a prudent operator of a comparable building would carry providing replacement cost coverage for perils typically insured against in a California standard all risk property insurance policy. The replacement cost of the improvements shall be determined in accordance with the standard practices of the insurance industry and evidenced by the certificate of the insurance company or companies issuing such insurance at the time the policy or policies are obtained. DSCLA further covenants and agrees, at its sole cost and expense, to provide and keep in full force and effect Boiler and Machinery insurance on all air conditioning equipment, boilers, and other pressure vessels and systems, whether fired or unfired, serving the improvements on the Premises.

10.1.3. Builder's Risk Insurance. Prior to the commencement of any construction at, or expansion of, the Center, or major internal or external improvements to the Center's structure, DSCLA shall, at its sole cost and expense, cause to be provided and kept in full force and effect "All Risks Builder's Risk" insurance, including vandalism and malicious mischief, covering improvements in place, and all materials and equipment at the job site. Said insurance shall remain in full force and effect until the improvements shall have been completed and fully insured as provided in this Article.

10.1.4. Insurance on DSCLA Personal Property. DSCLA may obtain other insurance covering its equipment, exhibits, artifacts, memorabilia, and other personal property at its sole discretion. CITY, as Landlord, shall have no right to require such insurance nor shall CITY be deemed a beneficiary thereof. No claims will be made to CITY by DSCLA for losses sustained by DSCLA. Nothing in this Paragraph, however, shall be construed to restrict the right of the City of Los Angeles, or any of its Departments, Boards, Commissions, or officers, or any other person or organization, to require DSCLA to obtain insurance on any equipment, artifacts or other property loaned or otherwise provided to the Center or DSCLA by the City of Los Angeles for exhibits, display, or other purposes.

10.1.5 Workers' Compensation. DSCLA shall comply with the provisions of section 3700, *et seq.*, of the California Labor Code and shall be insured (and shall require that each of its contractors and subcontractors comply with such Code and be insured) against liability for workers' compensation and employers' risk in accordance with the provisions of such Code before commencing the performance of any work on or about the Premises or otherwise in relation to this Lease. A Waiver of Subrogation in favor of CITY is required.

CITY reserves the right at any time during the Term of this Lease, applying generally accepted Risk Management principles, to change the amounts and types of insurance required hereunder effective at the renewal date of insurance then in effect (in no case more than one year from the written notice) by giving DSCLA ninety days' written notice provided that such amounts and/or types shall be reasonably available to DSCLA at commercially reasonable premiums.

10.1.7. Reduction of Insurance Protection. If any of the required insurance coverages contain aggregate limits, or apply to other operations or tenancies of DSCLA outside of this Lease, DSCLA shall give CITY prompt, written notice of any incident, occurrence, claim, settlement, or judgment against such insurance which in DSCLA'S best judgment may diminish the protection such insurance affords CITY. DSCLA shall further take immediate steps to restore such aggregate limits or shall provide other insurance protection for such aggregate limits.

10.2. Self-Insurance Programs. Self-insurance programs and self-insured retention in insurance policies are subject to separate approval by CITY upon review of evidence of financial capacity to respond. Additionally, such programs or retention must provide CITY with at least the same protection from liability and defense of suits as would be afforded by first-dollar insurance.

10.3. Failure to Maintain Insurance. DSCLA'S failure to procure or maintain required insurance shall constitute a material breach of this Lease under which CITY may immediately terminate this Lease, or, at its discretion, procure or renew such insurance to protect CITY's interest and pay any and all premiums in connection therewith, and recover all monies so paid from DSCLA. If CITY elects to terminate this Lease, DSCLA agrees to immediately cease all operations and activities under this Lease and to peacefully surrender the Premises.

10.4. Indemnification/Hold Harmless. Except for the active negligence or willful misconduct of CITY, or any of its Boards, Officers, Agents, Employees, Assigns and Successors in Interest, DSCLA undertakes and agrees to defend, indemnify and hold harmless CITY and any of its Boards, Officers, Agents, Employees, Assigns, and Successors in Interest from and against all suits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees and cost of litigation, damage or liability of any nature whatsoever, for death or injury to any person, including DSCLA'S employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of the negligent acts, errors, omissions or willful misconduct incident to the performance of this Lease by DSCLA or its subcontractors of any tier. The provisions of this paragraph survive expiration or termination of this Lease.

11.1. Improvements. All improvements located on the Premises, including the building and tenant improvements constructed by the City or by DSCLA as of the Effective Date of this Lease, and all Tenant improvements constructed on the Premises by DSCLA at any time and from time to time during the Term, shall be owned by DSCLA during the Term. Except as hereinafter provided, all improvements on the Premises at the end of the Term shall, without any obligation on the part of CITY to compensate DSCLA therefore, become and remain CITY's property free and clear of all claims to or against such tenant improvements by DSCLA or any third party. CITY shall have the right to require DSCLA to demolish and remove all or any portion of the tenant improvements on the Premises. DSCLA shall take reasonable steps to remove all such claims of third parties existing at that time. Notwithstanding the foregoing, all bronze and other decorative metal, stain glass windows, historic buildings and similar items or structures which DSCLA deems to be part of its collection shall be removable at the end of the Term, whether or not such items are tenant improvements or fixtures.

ARTICLE 12. DAMAGE AND RESTORATION

12.1. Damage. Except as otherwise provided in this Lease, if any improvements located on the Premises are damaged and such damage was caused by fire or other peril covered by DSCLA'S insurance, DSCLA agrees to repair such damage to the extent set forth in this Section, and this Lease shall continue in full force and effect. If such improvements are damaged as the result of any cause other than perils covered by DSCLA'S insurance then DSCLA may, at DSCLA'S option, either (i) repair such damage as soon as reasonably practicable at DSCLA'S sole cost and expense, in which event this Lease shall continue in full force and effect, or (ii) give written notice to CITY within ninety (90) days after the date of occurrence of such damage of DSCLA'S intention to cancel and terminate this Lease of the date of the occurrence of such damage. Upon such termination, DSCLA shall, if requested by CITY, complete demolition of the damaged Center or other damaged improvement and restoration of the Premises to the condition it was in prior to construction of the improvements at DSCLA'S sole cost and expense and shall transfer any proceeds received from DSCLA'S insurance that are attributable to damage to the real property underlying the Premises, if any, to CITY.

12.2. Obligation to Restore. If this Lease is not terminated pursuant to any of the provisions of this Article 12, DSCLA shall, to the extent of available insurance proceeds plus any deductible DSCLA elects to carry, promptly and diligently restore and repair the improvements to substantially the same condition, to the extent possible, they were in immediately prior to the occurrence of the damage, except for modifications required by building codes and other laws and except for any other modifications to the improvements considered desirable by DSCLA and approved by the General Manager. DSCLA'S obligation to restore is subject to reasonable delays for insurance adjustment and other matters beyond DSCLA'S reasonable control. During any period of restoration pursuant to this Section, the Center shall not be required to be open for operation (except where such restoration is minimal or reasonably would not affect partial operation of the Center).

ARTICLE 13. DESIGN AND CONSTRUCTION OF IMPROVEMENTS AND EXHIBITS

13.1 Design and Construction of Tenant Improvements and Exhibits by Tenant. DSCLA shall design the layout of the Center, design and construct improvements, and design and construct or have constructed the Center Exhibits pursuant to and in with conformance with the terms and conditions of the Improvements and Exhibit Agreement attached hereto by this reference and incorporated herein as Exhibit E "Improvements and Exhibit Agreement". DSCLA shall also design the Center and construct the improvements and Center Exhibits in conformance with all the applicable federal, state, county, and city laws in force at the time of design.

13.2 Design and Construction of Improvements by CITY. CITY shall prior to the Center's Opening Date design and construct the improvements specified in Exhibit B "Premises Improvements to be Completed by City".

ARTICLE 14. HAZARDOUS MATERIALS

14.1. Hazardous Materials. CITY and DSCLA agree as follows with respect to the existence or use of Hazardous Materials (as defined in Paragraph 14.1.3. below) on the Premises:

14.1.1. Prohibition. DSCLA shall not cause or permit any Hazardous Material to be brought upon, kept or used in or about the Premises by DSCLA, its agents, employees, contractors or invitees in violation of law or in quantities which would require reporting to a governmental entity, without the prior written consent of the General Manager, which consent shall not be unreasonably withheld. If DSCLA breaches the obligations stated in the preceding sentence, or if the presence of Hazardous Material on the Premises caused or permitted by DSCLA results in contamination of the Premises, or if contamination of the Premises by Hazardous Material otherwise occurs for which DSCLA is legally liable to CITY for damage resulting there from, then DSCLA shall indemnify, hold CITY harmless, and defend CITY (with counsel reasonably acceptable to CITY) from any and all claims, judgments, damages, penalties, fines, costs, liabilities or losses (including, without limitation, diminution in value of the Premises, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space on the Premises, and sums paid in settlement of claims, attorneys' fees, consultant fees and expert fees) which arise during or after the Term as a result of such contamination. This indemnification of CITY by DSCLA includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or ground water on or under the Premises. Without limiting the foregoing, if the presence of any Hazardous Material on the Premises caused or permitted by DSCLA results in any contamination of the Premises, DSCLA shall promptly take all actions at its sole expense as are necessary to return the Premises to the condition existing prior to the introduction of any such Hazardous Material to the Premises; provided that CITY's approval of such actions shall first be obtained, which approval shall not unreasonably be withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Premises. However, the foregoing provisions shall not prohibit DSCLA from transportation to and from, and the use, storage, maintenance, and handling within the Premises of substances customarily used in connection with normal office or Center use provided: a) such substances shall be used and maintained only in such quantities as are reasonably necessary for the permitted use of the Premises set forth in Section 5.1. of this Lease, strictly in accordance with applicable laws and the manufacturers' instructions therefore;

b) such substances shall not be disposed of, released, or discharged at the Premises, and shall be transported to and from the Premises in compliance with all applicable laws, and as CITY shall reasonably require; c) if any applicable law or the trash removal contractor requires that any such substances be disposed of separately from ordinary trash, DSCLA shall make arrangements at DSCLA'S expense for such disposal directly with a qualified and licensed disposal company at a lawful disposal site, and shall ensure that disposal occurs frequently enough to prevent unnecessary storage of such substances on or around the Premises; and d) any remaining such substances shall be completely, properly, and lawfully removed from the Premises upon expiration or earlier termination of this Lease.

14.1.2. Compliance Costs. CITY and DSCLA acknowledge that CITY may become legally liable for the costs of complying with laws relating to Hazardous Material which are not the responsibility of DSCLA pursuant to Paragraph 14.1.1., including the following: (1) Hazardous Material present in the soil or ground water; (2) a change in Laws which relate to Hazardous Material which make such Hazardous Material which is present on the Premises as of the Effective Date, whether known or unknown to CITY, a violation of such new laws; (3) Hazardous Material that migrates, flows, percolates, diffuses or in any way moves on to or under the land; (4) Hazardous Material present on or under the land as a result of any discharge, dumping or spilling (whether accidental or otherwise) on the land by other owners of the Premises or their agents, employees, contractors or invitees, or by others. Accordingly, CITY and DSCLA agree that the cost of complying with laws relating to Hazardous Material on the Premises for which CITY may be legally liable shall be borne by CITY unless the cost of such compliance, as between CITY and DSCLA, is made the responsibility of DSCLA pursuant to this Lease.

14.1.3. "Hazardous Material" - Definition. As used herein, the defined term "Hazardous Material" means any chemical, substance, material, or waste or component thereof the presence of which requires investigation or remediation under any federal, state, or local statute, regulation, ordinance, order, action, policy, or common law, or which is now or hereafter listed, defined, or regulated as a flammable explosive, radioactive material, hazardous or toxic chemical, substance, material or waste or component thereof (whether injurious by themselves or in conjunction with other materials) by any federal, state, or local governing or regulatory body having jurisdiction, or which would trigger any employee or community "right-to-know" requirements adopted by such body, or for which any such body has adopted any requirements for the preparation or distribution of a material safety data sheet. "Hazardous Material" includes, without limitation, any material or substance which is: a) defined as a "hazardous waste," "extremely hazardous waste" or "restricted hazardous waste" under Sections 25115, 25117 or 25122.7, or listed pursuant to Section 25140, of the California Health and Safety Code, Division 20, Chapter 6.5 (Hazardous Waste Control Law); b) defined as a "hazardous substance" under Section 25316 of the California Health and Safety Code, Division 20, Chapter 6.8 (Carpenter-Presley-Tanner Hazardous Substance Account Act, California Health and Safety Code Section 25300, *et seq.*); c) defined as a "hazardous material," "hazardous substance," or "hazardous waste" under Section 25501 of the California Health and Safety Code, Division 20, Chapter 6.95 (Hazardous Materials Release Response Plans and Inventory, California Health and Safety Code Section 25500, *et seq.*); d) defined as a "hazardous substance" under Section 25281 of the California Health and Safety Code, Division 20, Chapter 6.7 (Underground Storage of Hazardous Substances, California Health and Safety Code Section 25280, *et seq.*); e) petroleum; f) asbestos; g) defined as a "hazardous constituent," "hazardous material," "hazardous waste," or "toxic waste" under Article 2 of Chapter 10 (Section 66260.10) or defined as a "hazardous waste" under Article 1 of Chapter 11 (Section 66261.3) of Title 22 of the California Code of Regulations, Division 4.5 (Environmental Health Standards for the

Management of Hazardous Waste, 22 C.C.R. Section 66001, *et seq.*); h) designated as a "hazardous substance" pursuant to Section 311 (33 U.S.C. § 1321) of the Clean Water Act of 1977, as amended (Federal Water Pollution Control Act, 33 U.S.C. § 1251, *et seq.*); i) defined as a "hazardous waste" pursuant to Section 1004 (42 U.S.C. § 6903) of the Federal Resource Conservation and Recovery Act of 1976, as amended (RCRA, 42 U.S.C. § 6901, *et seq.*); j) defined as a "hazardous substance" pursuant to Section 101 (42 U.S.C. § 9601) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA, 42 U.S.C. § 9601, *et seq.*); or k) defined as "hazardous material" under Section 103 (49 U.S.C. § 1802) of the Hazardous Materials Transportation Act (49 U.S.C. § 1801, *et seq.*), as such laws may be amended from time to time, and the regulations adopted and publications promulgated pursuant to such laws.

14.1.4. Disposal of Hazardous Material. If DSCLA disposes of any soil, material or groundwater contaminated with hazardous material, DSCLA shall provide CITY copies of all records including a copy of each uniform hazardous waste manifest indicating the quantity and type of material being disposed of, the method of transportation of the material to the disposal site and the location of the disposal site. Except where presence of Hazardous Material predated this Lease, CITY shall not appear on any manifest document as a generator of such material disposed of by DSCLA.

14.1.5. Hazardous Material Tests. Any tests required of DSCLA by this Article shall be performed by a State of California Department of Health Services certified testing laboratory satisfactory to CITY. By signing this Lease, DSCLA hereby irrevocably directs any such laboratory to provide CITY, upon written request from CITY, copies of all of its reports, test results, and data gathered. As used in this Article, the term "DSCLA" includes agents, employees, contractors, subcontractors, and/or invitees of DSCLA.

14.1.6. Notice of Hazardous Substances. California Health and Safety Code section 25359.7(a) requires any owner of nonresidential real property who knows, or has reasonable cause to believe, that any release of hazardous substance has come to be located on or beneath that real property to, prior to the lease or rental of that real property or when the presence of such release is actually known, give written notice of that condition to the lessee or renter. California Health and Safety Code section 25359.7(b) requires any tenant of real property who knows, or has reasonable cause to believe, that any release of a hazardous substance has come to be located on or beneath that real property to give written notice of such condition to the owners. DSCLA and CITY shall comply with the requirements of section 25359.7 and any successor statute thereto and with all other statutes, laws, ordinances, rules, regulations and orders of governmental authorities with respect to hazardous substances.

ARTICLE 15. DEFAULT AND TERMINATION

15.1. Events of Default. The following occurrences are "Events of Default":

15.1.1. Breach of Lease. DSCLA or CITY materially breaches or fails in the performance of any of the provisions or conditions of this Lease; or

15.1.2. Failure to Conform to Laws. DSCLA fails to conform to applicable federal, state, county or local laws, rules, regulations or policies; or

15.1.3. Incapacity to Perform. DSCLA ceases to operate, exist or maintain its nonprofit corporate status (temporary suspension of status for a period not exceeding six (6) months shall not be considered a failure to maintain status) or becomes unable through corporate or personal incapacity to fulfill its obligations under this Lease; or

15.1.4. Lack of Funds. If DSCLA is no longer able to carry out the purposes of the Lease because of a lack of funds or funding; or

15.1.5. Non-conforming Use. DSCLA ceases to use the Premises for the purpose of a recreation and environmental awareness center as set forth in Article 5; or

15.1.6. Failure to Commence Construction Of The Center Exhibits. DSCLA fails to commence construction of the Center Exhibits on or before September 30, 2013, either CITY or DSCLA may terminate this Lease. DSCLA may request a change in this date, for which the City will not unreasonably withhold its consent if the requested deadline extension does not significantly impact the City's ability to meet the March 2015 opening deadline. Construction of the Center Exhibits shall be deemed to have commenced on the date DSCLA or its subcontractors starts physical fabrication on the Center Exhibits through the execution of a contractual agreement(s); or

15.1.7. Breach of the Improvements and Exhibits Agreement. DSCLA materially breaches or fails in the performance of any of the provisions or conditions of the Exhibit E "Improvements and Exhibits Agreement"; or

15.1.8. Failure to Commence Center Operations. If DSCLA fails to open the Center on or before March 31, 2015, CITY may terminate this Lease at any time on or after March 31, 2015.

15.2. Default - CITY's Remedies. If any one or more of the "Events of Default" set forth in Section 15.1. above occurs, then CITY may, at its election, without any further notice to or authorization from DSCLA, and without waiving any of City's rights at any time to select any other remedy provided in this Section, or elsewhere in this Lease, if applicable, or under law, do any one or more of the following:

15.2.1. Termination of Lease. CITY may give DSCLA written notice of such "Event of Default." If DSCLA does not cure said default within thirty (30) days after notice (and forthwith for a default involving health, sanitary or safety conditions or pertaining to the maintenance of insurance required under this Lease) or such longer period as is reasonably necessary to remedy such default, as determined by either CITY, provided that DSCLA shall continuously and diligently pursue such remedy at all times until such default is cured, CITY may, by delivering written notice to DSCLA, terminate this Lease and DSCLA shall vacate the Premises and comply with Section 16.1.; and/or

15.2.2. Recovery at Law. CITY may recover at law any and all claims which may be due CITY; and/or

15.2.3. Self-help. In the event that neither the City nor DSCLA terminates the term of this lease agreement under the conditions herein defined, the CITY may, but is not obligated to, perform such work as it deems necessary to cure any "Event of Default" and charge DSCLA for the cost of labor and materials expended. The General Manager may exercise this option immediately in an "Event of Default" involving health, sanitary or safety

considerations. Otherwise, the General Manager may exercise this option within sixty (60) days after giving DSCLA written notice of a default involving Premises' maintenance if DSCLA does not commence to cure. CITY shall provide DSCLA with reasonably detailed invoice for the labor and materials expended and DSCLA shall pay the full sum of the invoice within sixty (60) days of DSCLA'S receipt of the invoice, using as a first priority any monies remaining from the project escrow account as defined in section 9.2 of Exhibit E to this agreement. In the event DSCLA disputes any of the charges on the invoice or DSCLA'S obligation to pay for any or all of the items, DSCLA shall pay the full sum of the invoice within the sixty (60) day period, subject to prompt reimbursement from CITY to the extent DSCLA prevails on any items in dispute.

The specified remedies to which CITY may resort under the provisions of this Lease are cumulative and not intended to be exclusive of any other remedies afforded by law or equity.

15.3. No Waiver. The conduct of either party or the acceptance of all or part of any payment by CITY after an "Event of Default" for any period after an "Event of Default" shall not be deemed a waiver of any rights and remedies, nor a waiver of the default of the same or any other provision, covenant or condition. Waiver by either CITY or DSCLA of any breach by the other of any covenant, condition or obligation herein contained or failure by either CITY or DSCLA to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the failure of any such covenant, condition or obligation or of any subsequent breach of any such covenant, condition or obligation nor bar any right or remedy of CITY or DSCLA in respect of any such subsequent breach.

15.4. Default by CITY. In the event CITY defaults in the performance of any of the provisions or conditions of this Lease, and if a written notice of such default is issued to CITY by DSCLA, and if CITY does not commence to cure said default within sixty (60) days of receipt of said notice, DSCLA may immediately terminate this Lease and/or obtain specific performance.

ARTICLE 16. SURRENDER OF PREMISES

16.1. Surrender of Premises. Upon termination of this Lease, DSCLA shall quit and surrender possession of the Premises to CITY in good and usable condition, subject to normal wear and tear, provided, however, that the BOARD, at the BOARD's sole discretion, may require DSCLA to demolish and remove all or any portion of the improvements on the Premises and restore the demolished portion of the Premises to its original condition as of the effective date of the lease or to a reasonably acceptable condition as approved by the BOARD. Except as provided in Section 11.1, any improvements and Center Exhibits which have been constructed or erected on the Premises shall, upon termination of this Lease, become the property of CITY. DSCLA'S collections and all personal property and fixtures related thereto, and all property described in Section 11.1, shall remain the property of DSCLA or its assigns and may be removed by DSCLA from the Premises upon termination of this Lease. Should DSCLA fail to remove such property, improvements, or fixtures after the termination of this Lease, CITY may, at CITY's option: (1) retain all or any of such property, and title thereto shall thereupon vest in CITY; or (2) remove the same, in which event DSCLA shall pay to CITY upon demand the reasonable costs of such removal plus the cost to restore the Premises to an acceptable condition as approved by the BOARD.

16.2. No Implied Surrender. DSCLA agrees on the last day of the Term, or on the earlier termination of this Lease, to surrender the Premises, including all then existing improvements other than the items identified in Section 11.1, which are to be removed. No act or thing done by CITY during the Term shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept such surrender shall be valid unless in writing and signed by CITY.

16.3. Failure to Surrender. If DSCLA fails to surrender the Premises, together with the improvements thereon, upon the termination of this Lease, DSCLA agrees to indemnify and hold harmless CITY from and against any loss or liability, including costs and reasonable attorney's fees, resulting from such failure to surrender, including, but not limited to, any claims made by any succeeding tenant based on or resulting from such failure to surrender. Nothing herein contained shall be construed as consent to any occupancy or possession of any portion of the Premises and the improvements thereon by DSCLA beyond the expiration of the Term or the earlier termination of this Lease.

ARTICLE 17. ASSIGNMENT AND BANKRUPTCY

17.1. Assignment and Subletting. DSCLA shall not under-let or sublet the Premises or any part thereof or allow the same to be used or occupied by any other person, group or organization for any other use than that herein specified, nor assign this Lease, nor transfer, assign or in any manner convey any of the rights or privileges herein granted without the consent of the BOARD and the City Council, which may give or deny consent at their sole discretion provided that DSCLA shall have the right to sublease or contract for the operation of a food service enterprise, gift shop, or other related undertaking with the prior written consent of the General Manager, which consent shall not be unreasonably withheld or delayed). In addition, the General Manager, or the BOARD, may give written consent for subleases of not more than five days in duration involving uses of portions of the Premises consistent with the provisions of this Lease. Short term and occasional use of the Premises for other activities such as location filming, special events, and projects with artists or other non-profit or governmental agencies shall not be considered as assignments or subletting and DSCLA may allow such use with the prior consent of CITY (however, net income, if any, from such activities is subject to the provisions of Section 5.7.). DSCLA shall not rent, lease, or offer any space for storing any article or articles unrelated to the permissible uses of the Center within or on the Premises. Any attempt to sublease, assign, or transfer without the consent required by this Section shall be void.

17.2. Bankruptcy. To the extent permitted by law, neither this Lease nor the rights herein granted shall be assignable or transferable by any process or proceedings in any court, or by attachment, execution, proceedings in insolvency or bankruptcy either voluntary or involuntary, or receivership proceedings. To the extent the previous sentence is not permitted by law, in the event that DSCLA shall be adjudicated a bankrupt, or become involved in any proceedings under the bankruptcy laws of the United States or the receivership laws of the State of California, or if the leasehold interest created by this Lease or any improvements constructed pursuant to this Lease are transferred due to operations of law, including, without limitation, the enforcement of a judgment, the trustee in bankruptcy, the receiver, the assignee, or the judgment purchaser shall be bound by all provisions of this Lease, including, without limitation, the requirement that the Premises be operated as a Center (Section 5.1.).

ARTICLE 18. CONDEMNATION

18.1. Condemnation. Should any or all of the Premises be acquired for public use under the power of eminent domain or by purchase in lieu thereof, CITY shall be entitled to all compensation and severance damages attributable to the land and buildings. DSCLA shall receive any compensation and severance damages which may be paid for damage or loss of the leasehold interest only.

ARTICLE 19. NOTICES

19.1. Notices. All notices and demands which may or are to be required or permitted to be given by either party to the other hereunder shall be in writing. All notices and demands shall be personally delivered (including by means of professional messenger service), sent by United States mail, postage prepaid, return receipt requested, or transmitted by telecopier (e.g., Fax) or electronic mail (upon mutual agreement of participating parties), in which case the receiving party shall immediately confirm receipt of such telecopied or e-mailed notice. All notices are effective upon receipt. For the purposes of such notices, the addresses for the parties are set forth in Section 19.2 below. In the event CITY is unable to give notice to DSCLA at the address(es) provided to CITY by DSCLA, notice shall be deemed effective when addressed to DSCLA at the Premises. Either party may from time to time designate another person or place in a notice.

ARTICLE 20. STANDARD PROVISIONS FOR CITY CONTRACTS

20.1 Standard Provisions for City Contracts. This Lease is subject to CITY's Standard Provisions for City Contracts, attached hereto and incorporated herein by reference as Exhibit F "Standard Provisions for City Contracts".

ARTICLE 21. ORDINANCE MANDATED PROVISIONS

21.1 Child Support Assignment Orders. This Lease is subject to Section 10.10, Article 1, Chapter 1, Division 10 of the Los Angeles Administrative Code related to Child Support Assignment Orders. Pursuant to this Section, DSCLA (and any subcontractor of DSCLA providing services to City under this Lease) shall (1) fully comply with all State and Federal employment reporting requirements for DSCLA'S or DSCLA'S subcontractor's employees applicable to Child Support Assignment Orders; (2) certify that the principal owner(s) of DSCLA and applicable subcontractors are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (3) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code section 5230, *et seq.*; and (4) maintain such compliance throughout the Term of this Lease. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of DSCLA or an applicable subcontractor to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of DSCLA or applicable subcontractors to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default of this Lease subjecting this Lease to termination where such failure shall continue for more than ninety days after notice of such failure to DSCLA by CITY (in lieu of any time for cure provided in Article 15).

21.2. Service Contract Worker Retention Ordinance. This Lease is subject to the Service Contract Worker Retention Ordinance ("SCWRO") (Section 10.36, *et seq.* of the Los Angeles Administrative Code. The SCWRO requires that, unless specific exemptions apply, all employers (as defined) under contracts that are primarily for the furnishing of services to or for the City of Los Angeles and that involve an expenditure or receipt in excess of \$25,000 and a contract term of at least three months shall provide retention by a successor contractor for a ninety-day transition period of the employees who have been employed for the preceding twelve months or more by the terminated contractor or subcontractor, if any, as provided for in the

SCWRO. Under the provisions of Section 10.36.3(c) of the Los Angeles Administrative Code, CITY has the authority, under appropriate circumstances, to terminate this Lease and otherwise pursue legal remedies that may be available if CITY determines that the subject contractor violated the provisions of the SCWRO.

21.3. Living Wage Ordinance.

21.3.1. General Provisions: Living Wage Policy. This Lease is subject to the Living Wage Ordinance ("LWO") (Section 10.37, *et seq.* of the Los Angeles Administrative Code. The LWO requires that, unless specific exemptions apply, any employees of tenants or licensees of CITY property who render services on the leased or licensed premises are covered by the LWO if any of the following applies: (1) the services are rendered on premises at least a portion of which are visited by substantial numbers of the public on a frequent basis, (2) any of the services could feasibly be performed by CITY employees if the awarding authority had the requisite financial and staffing resources, or (3) the designated administrative agency of the City of Los Angeles has determined in writing that coverage would further the proprietary interests of the City of Los Angeles. Employees covered by the LWO are required to be paid not less than a minimum initial wage rate, as adjusted each year (July 1, 2006, levels: \$9.39 per hour with health benefits of at least \$1.25 per hour or otherwise \$10.64 per hour). The LWO also requires that employees be provided with at least twelve compensated days off per year for sick leave, vacation, or personal necessity at the employee's request, and at least ten additional days per year of uncompensated time pursuant to Section 10.37.2(b). The LWO requires employers to inform employees making less than twelve dollars (\$12.00) per hour of their possible right to the federal Earned Income Tax Credit ("EITC") and to make available the forms required to secure advance EITC payments from the employer pursuant to Section 10.37.4. DSCLA shall permit access to work sites for authorized CITY representatives to review the operation, payroll, and related documents, and to provide certified copies of the relevant records upon request by CITY. Whether or not subject to the LWO, DSCLA shall not retaliate against any employee claiming non-compliance with the provisions of the LWO, and, in addition, pursuant to Section 10.37.6(c), DSCLA agrees to comply with federal law prohibiting retaliation for union organizing.

21.3.2. Living Wage Coverage Determination. DEPARTMENT has made the initial determination that this Lease, as a public lease or a public license, is subject to the LWO. DSCLA, although subject to the LWO, may be exempt from most of the requirements of the LWO if DSCLA qualifies for such exemption under the provisions of the LWO. Determinations as to whether an employer or employee is exempt from coverage under the LWO are not final, but are subject to review and revision as additional facts are examined and/or other interpretations of the law are considered. Applications for exemption must be renewed every two years. To the extent DSCLA claims non-coverage or exemption from the provisions of the LWO, the burden shall be on DSCLA to prove such non-coverage or exemption and, where applicable, renew such exemption.

21.3.3. Compliance; Termination Provisions and Other Remedies: Living Wage Policy. If DSCLA is not initially exempt from the LWO, DSCLA shall comply with all of the provisions of the LWO, including payment to employees at the minimum wage rates, effective on the Execution Date of this Lease, and shall execute a Declaration of Compliance Form contemporaneously with the execution of this Lease. If DSCLA is initially exempt from the LWO, but later no longer qualifies for any exemption, DSCLA shall, at such time as DSCLA is no longer exempt, comply with the provisions of the LWO and execute the then-currently used Declaration of Compliance Form, or such form as the LWO requires. Under the provisions of Section 10.37.6(c) of the Los Angeles Administrative Code, violation of the LWO shall constitute

a material breach of this Lease and CITY shall be entitled to terminate this Lease and otherwise pursue legal remedies that may be available, including those set forth in the LWO, if CITY determines that DSCLA violated the provisions of the LWO. The procedures and time periods provided in the LWO are in lieu of the procedures and time periods provided in Article 15 of this Lease. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the LWO.

21.4. Non-Discrimination.

21.4.1. Non-Discrimination in Use of Premises. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition in the lease, sublease, transfer, use, occupancy, tenure, or enjoyment of the Premises or any part of the Premises or any operations or activities conducted on the Premises or any part of the Premises, nor shall DSCLA or any person working under or through DSCLA establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use of occupancy of tenants, subtenants, or vendees of the Premises. Any sublease or assignment which may be permitted under this Lease shall also be subject to the non-discrimination clauses contained in this Section 21.4.

21.4.2. Non-Discrimination in Employment. DSCLA agrees and obligates itself in the performance of this Lease not to discriminate against any employee or applicant for employment because of the employee's or applicant's race, religion, national origin, ancestry, sex, sexual orientation, age, physical handicap, marital status, domestic partner status, or medical condition.

21.4.3. Equal Employment Practices. This Lease is a contract with or on behalf of the City of Los Angeles for which the consideration is one thousand dollars (\$1,000) or more. Accordingly, during the performance of this Lease, DSCLA further agrees to comply with Section 10.8.3 of the Los Angeles Administrative Code ("Equal Employment Practices"). By way of specification but not limitation, pursuant to Sections 10.8.3.E and 10.8.3.F of the Los Angeles Administrative Code, the failure of DSCLA to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to DSCLA. Upon a finding duly made that DSCLA has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated.

21.4.4. Equal Benefits Provisions. This Lease is subject to Section 10.8.2.1, Article 1, Chapter 1, Division 10 of the Los Angeles Administrative Code ("Equal Benefits Provisions") related to equal benefits to employees. DSCLA agrees to comply with the provisions of Section 10.8.2.1. By way of specification but not limitation, pursuant to Section 10.8.2.1.c of the Los Angeles Administrative Code, the failure of DSCLA to comply with the Equal Employment Practices provisions of this Lease may be deemed to be a material breach of this Lease. No such finding shall be made or penalties assessed except upon a full and fair hearing after notice and an opportunity to be heard have been given to DSCLA. Upon a finding duly made that DSCLA has failed to comply with the Equal Employment Practices provisions of this Lease, this Lease may be forthwith terminated.

21.5. Contractor Responsibility Ordinance.

21.5.1. General Provisions; Contractor Responsibility Policy. This Lease is subject to the Contractor Responsibility Ordinance ("CRO") (Section 10.40, *et seq.* of the Los Angeles Administrative Code) and the rules and regulations promulgated pursuant thereto as they may be updated. The CRO requires that, unless specific exemptions apply as specified in Section 10.40.4(a), lessees or licensees of City property who render services on the leased or licensed premises are covered by the CRO if any of the following applies: (1) the services are rendered on premises at least a portion of which are visited by substantial numbers of the public on a frequent basis, (2) any of the services could feasibly be performed by City employees if the awarding authority had the requisite financial and staffing resources, or (3) designated administrative agency of the City has determined in writing that coverage would further the proprietary interests of the City. Lessees or licensees of City property who are not exempt pursuant to Section 10.40.4 (a) or (b), unless subject to the CRO solely due to an amendment to an existing lease or license, are required to have completed a questionnaire ("Questionnaire") signed under penalty of perjury designed to assist the City in determining that the lessee or licensee is one that has the necessary quality, fitness and capacity to perform the work set forth in the contract. All lessees or licensees of City property who are covered by the CRO, including those subject to the CRO due to an amendment, are required to complete the following Pledge of Compliance ("POC"):

(1) comply with all applicable federal state, and local laws and regulations in the performance of the contract including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees;

(2) notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation that may result in a finding that the lessee or licensee did not comply with Subsection (1) above in the performance of the lease or license;

(3) notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the lessee or licensee has violated Subsection (1) above in the performance of the lease or license;

(4) ensure within thirty days (or such shorter time as may be required by the awarding authority) that subcontractors working on the lease or license submit a POC to the awarding authority signed under penalty of perjury; and

(5) ensure that subcontractors working on the lease or license abide by the requirements of the POC and the requirement to notify the awarding authority within thirty calendar days that any government agency or court of competent jurisdiction has initiated an investigation or has found that the subcontractor has violated Subsection (1) above in the performance of the lease or license.

DSCLA shall ensure that their subcontractors meet the criteria for responsibility set forth in the CRO and any rules and regulations promulgated thereto. DSCLA may not use any subcontractor that has been determined or found to be a non-responsible contractor by CITY. The listing of non-responsible contractors may be accessed on the internet at: <http://www.lacity.org/bidresp>. Subject to approval by the awarding authority, DSCLA may substitute a non-responsible subcontractor with another subcontractor with no change in the consideration for this Lease. DSCLA shall submit to CITY a POC for each subcontractor listed

by the DSCLA in its Questionnaire, as performing work on this Lease within thirty calendar days of execution of this Lease, unless the Department of General Services requires in its discretion the submission of a POC within a shorter time period. The signature of DSCLA on this Lease shall constitute a declaration under penalty of perjury that DSCLA shall comply with the POC.

21.5.2. Update of Information. DSCLA shall:

(1) notify the awarding authority within thirty calendar days after receiving notification that any governmental agency has initiated an investigation that may result in a finding that DSCLA did not comply with any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees;

(2) notify the awarding authority within thirty calendar days of receiving notice of any findings by a government agency or court of competent jurisdiction that DSCLA violated any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees; and

(3) notify the awarding authority within thirty calendar days of becoming aware of any information regarding its subcontractors and investigations or findings regarding the subcontractor's violations of any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

Updates of information contained in DSCLA'S responses to the Questionnaire must be submitted to the awarding authority within thirty days of any changes to the responses if the change would affect DSCLA'S fitness and ability to continue performing this Lease. Notwithstanding the above, DSCLA shall not be required to provide updates to the Questionnaire if DSCLA became subject to the CRO solely because of an amendment to the original lease or license. DSCLA shall cooperate in any investigation pursuant to CRO by providing such information as shall be requested by City. DSCLA agrees that City may keep the identity of any complainant confidential. DSCLA shall ensure that subcontractors who perform work on this Lease abide by these same updating requirements including the requirement to:

(1) Notify the awarding authority within thirty calendar days after receiving notification that any government agency has initiated an investigation which may result in a finding that the subcontractor did not comply with any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees; and

(2) Notify the awarding authority within thirty calendar days of all findings by a government agency or court of competent jurisdiction that the subcontractor violated any applicable federal, state, or local law in the performance of this Lease including, but not limited to, laws regarding health and safety, labor and employment, wage and hour, and licensing laws which affect employees.

The requirement that DSCLA provide Questionnaires and updates to Questionnaire responses does not apply to subcontractors.

21.5.3. Compliance; Termination Provisions and Other Remedies. If DSCLA is not exempt from the CRO, DSCLA shall comply with all of the provisions of the CRO and this Lease. Failure to comply with the provisions of the CRO, including without limitation the requirements that all responses to the Questionnaire are complete and accurate, to provide updates as provided therein and to correct any deficiencies within ten (10) days of notice by CITY, or failure to comply with the provisions of this Lease shall constitute a material breach of this Lease and CITY shall be entitled to terminate this Lease and otherwise pursue any legal remedies that may be available, including those set forth in the CRO. Nothing in this Lease shall be construed to extend the time periods or limit the remedies provided in the CRO.

21.6. Business Tax Registration Certificates and Tax Payments. This Section is applicable where DSCLA is engaged in business within the City of Los Angeles and DSCLA is required to obtain a Business Tax Registration Certificate ("BTRC") pursuant to one or more of the following articles (collectively "Tax Ordinances") of Chapter II of the Los Angeles Municipal Code: Article 1 (Business Tax Ordinance) [section 21.00, *et seq.*], Article 1.3 (Commercial DSCLA'S Occupancy Tax) [section 21.3.1, *et seq.*], Article 1.7 (Transient Occupancy Tax) [section 21.7.1, *et seq.*], Article 1.11 (Payroll Expense Tax) [section 21.11.1, *et seq.*], or Article 1.15 (Parking Occupancy Tax) [section 21.15.1, *et seq.*]. Prior to the execution of this Lease, or the effective date of any extension of the Term or renewal of this Lease, DSCLA shall provide to DEPARTMENT proof satisfactory to the General Manager that DSCLA has the required BTRCs and that DSCLA is not then currently delinquent in any tax payment required under the Tax Ordinances. CITY may terminate this Lease upon thirty days' prior written notice to DSCLA if CITY determines that DSCLA failed to have the required BTRCs or was delinquent in any tax payments required under the Tax Ordinances at the time of entering into, extending the Term of, or renewing this Lease. CITY may also terminate this Lease upon ninety days' prior written notice to DSCLA at any time during the Term of this Lease if DSCLA fails to maintain required BTRCs or becomes delinquent in tax payments required under the Tax Ordinances and DSCLA fails to cure such deficiencies within the ninety day period (in lieu of any time for cure provided in Article 15).

21.7. Slavery Disclosure Ordinance. This Lease is subject to the applicable provisions of the Slavery Disclosure Ordinance ("SDO") (Section 10.41, *et seq.* of the Los Angeles Administrative Code). Unless otherwise exempt in accordance with the provision of this Ordinance, DSCLA certifies that it has complied with the applicable provisions of the Ordinance. Under the provisions of Section 10.41.2(b) of the Los Angeles Administrative Code, CITY has the authority, under appropriate circumstances, to terminate this Lease and otherwise pursue legal remedies that may be available to CITY if CITY determines that the DSCLA failed to fully and accurately complete the SDO affidavit or otherwise violated any provision of the SDO.

22.7. Exhibits - Incorporation in Lease. All exhibits referred to are attached to this Lease and incorporated by reference.

22.8. Force Majeure. Whenever either party hereto shall be required by the provisions of this Lease or by law to perform any contract, act, work, construction, labor or services (excepting only the obligation to pay rent due hereunder), or to discharge any lien against the Premises, or to perform and comply with any laws, rules, orders, ordinances, regulations or zoning regulations, said party shall not be deemed to be in default herein and the other party shall not enforce or exercise any of its right under this Lease, if and so long as nonperformance or default herein shall be directly caused by strikes, nonavailability of materials, war or national defense preemptions, governmental restrictions, acts of God or other similar causes beyond the reasonable control of the nonperforming party provided; however, that notwithstanding any of the provisions of the foregoing, the nonperforming party shall commence such performance and continue the same with diligence and continuity immediately after the removal of any of the causes hereinabove specified.

22.11. No Prior Agreements. This Lease contains all of the agreements of the parties hereto with respect to the matters covered hereby, and no prior agreements, oral or written, or understandings or representations of any nature whatsoever pertaining to any such matters shall be effective for any purpose unless expressly incorporated in the provisions of this Lease.

22.12. No Relocation Assistance. 22.14. Severability. If any provision of this Lease or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

22.15. Sole Discretion. In those instances in this Lease where it is provided that CITY or the General Manager or other City of Los Angeles agency may approve a request in the exercise of "sole discretion" or words of like import, the parties expressly agree that CITY or the General Manager or other City of Los Angeles agency, as the case may be, has the absolute unfettered discretion to grant or withhold approval, either arbitrarily or otherwise, and with or without reason, and neither DSCLA nor any other party or tribunal shall have any right or power to inquire into or review the granting or withholding of such approval or the reasons or lack of reasons therefore.

22.16. Time. Time is of the essence with respect to the performance or observance of each of the obligations, covenants and agreements under this Lease. Except where expressly stated to be "business days" or "working days," the word "days" shall mean "calendar days."

INSTRUCTIONS ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

To be included in final lease agreement

CITY OF LOS ANGELES
INSTRUCTIONS AND INFORMATION
ON COMPLYING WITH CITY INSURANCE REQUIREMENTS

(Share this information with your insurance agent or broker)

1. **Agreement/Reference** All evidence of insurance must identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the best method of submitting your documents. **Track4LA®** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACORD 25 Certificate of Liability Insurance** in electronic format – the CITY is a licensed redistributor of ACORD forms. **Track4LA®** advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **Track4LA®** at <http://track4la.lacity.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Insurance industry certificates other than the ACORD 25 that have been approved by the State of California may be accepted, however ***submissions other than through Track4LA® will significantly delay the insurance approval process as documents will have to be manually processed.*** All Certificates must provide a thirty (30) days' cancellation notice provision (ten (10) days for non-payment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter. Completed **Insurance Industry Certificates other than ACORD 25 Certificates** are sent electronically to CAO.insurance.bonds@lacity.org.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance.

Verification of approved insurance and bonds may be obtained by checking **Track4LA®**, the CITY's online insurance compliance system, at <http://track4la.lacity.org>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Acord 25 Certificate or edit the existing Acord 25 Certificate through **Track4LA®** at <http://track4la.lacity.org>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and self-insurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). **A Waiver of Subrogation** on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property Insurance** is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. **Builder's Risk/Course of Construction** is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A **Crime Policy** may be required to handle CITY funds or securities, and under certain other conditions. **Specialty coverages** may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information.

The General Manager may exercise this option immediately in an "Event of Default" involving health, sanitary or safety considerations. Otherwise, the General Manager may exercise this

option within sixty (60) days after giving DSCLA written notice of a default involving Premises' maintenance if DSCLA does not commence to cure. In the event DSCLA disputes any of the charges on the invoice or DSCLA'S obligation to pay for any or all of the items, DSCLA shall pay the full sum of the invoice within the sixty (60) day period, subject to prompt reimbursement from CITY to the extent DSCLA prevails on any items in dispute.

The specified remedies to which CITY may resort under the provisions of this Lease are cumulative and not intended to be exclusive of any other remedies afforded by law or equity.

10.3. No Waiver. The conduct of either party or the acceptance of all or part of any payment by CITY after an "Event of Default" for any period after an "Event of Default" shall not be deemed a waiver of any rights and remedies, nor a waiver of the default of the same or any other provision, covenant or condition. Waiver by either CITY or DSCLA of any breach by the other of any covenant, condition or obligation herein contained or failure by either CITY or DSCLA to exercise any right or remedy in respect of any such breach shall not constitute a waiver or relinquishment for the failure of any such covenant, condition or obligation or of any subsequent breach of any such covenant, condition or obligation nor bar any right or remedy of CITY or DSCLA in respect of any such subsequent breach.

10.4. Default by CITY. In the event CITY defaults in the performance of any of the provisions or conditions of this Agreement, and if a written notice of such default is issued to CITY by DSCLA, and if CITY does not commence to cure said default within sixty (60) days of receipt of said notice, DSCLA may immediately terminate this Agreement and/or obtain specific performance.

The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" herein in this Contract includes the party or parties identified in the Contract. The singular shall include the plural; if there is more than one **CONTRACTOR** herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. NUMBER OF ORIGINALS

The number of original texts of this Contract shall be equal to the number of the parties hereto, one text being retained by each party. At the **CITY'S** option, one or more additional original texts of this Contract may also be retained by the City.

PSC-3. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, and the **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Contract.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Contract, the validity of the remaining parts, terms or provisions of the Contract shall not be affected thereby.

PSC-4. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR** hereto;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and

PSC-5. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in paragraph PSC-6 hereof.

PSC-6. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-4.

PSC-7. EXCUSABLE DELAYS

In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

PSC-8. BREACH

Except for excusable delays as described in PSC-7, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights

and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

PSC-9. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-10. TERMINATION

A. TERMINATION FOR CONVENIENCE

The **CITY** may terminate this Contract for the **CITY'S** convenience at any time by giving **CONTRACTOR** thirty days written notice thereof. Upon receipt of said notice, **CONTRACTOR** shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities. The **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to affect such termination. Thereafter, **CONTRACTOR** shall have no further claims against the **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon the date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except for excusable delays as provided in PSC-7, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, the **CITY** may give **CONTRACTOR** written notice of such default. If **CONTRACTOR** does not cure such default or provide a plan to cure such default which is acceptable to the **CITY** within the time permitted by the **CITY**, then the **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then the **CITY** may immediately terminate this Contract.
3. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates the

4. In the event the **CITY** terminates this Contract as provided in this section, the **CITY** may procure, upon such terms and in such manner as the **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to the **CITY** for all of its costs and damages, including, but not limited, any excess costs for such services.
5. All finished or unfinished documents and materials produced or procured under this Contract, including all intellectual property rights thereto, shall become **CITY** property upon date of such termination. **CONTRACTOR** agrees to execute any documents necessary for the **CITY** to perfect, memorialize, or record the **CITY'S** ownership of rights provided herein.
6. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-10(A) Termination for Convenience.
7. The rights and remedies of the **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

PSC-11. INDEPENDENT CONTRACTOR

The **CITY** does not have any obligation to pay **CONTRACTOR'S** subcontractors, and nothing herein creates any privity between the **CITY** and the subcontractors.

PSC-15. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts payable for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), against **CONTRACTOR'S** rights to payments hereunder, or against the **CITY**, and shall pay all amounts due under the Unemployment Insurance Act with respect to such labor.

PSC-16. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.

2. Notice of Cancellation. All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

3. Primary Coverage. CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.

4. Modification of Coverage. The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.

Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. Dear Mr. Tonthat:

The U.S. Army Corps of Engineers (Corps) Los Angeles District does not object to your request (enclosed) for the lease amendment between the City of Los Angeles Department of Recreation and Parks (LARAP) and Discovery Cube LA (DSCLA), and the DSCLA Expansion Project. This subject request area falls within the existing recreation lease, Department of the Army Lease No. DACW09-1-69-45, granted to LARAP for public park and recreational purposes within the Hansen Flood Control Basin, Los Angeles County, California.

Please note that this approval is subject to activities outlined in your request letter, which includes the expansion of the DSCLA lease boundary, the construction of fences and gates, the addition of decomposed granite and a butterfly garden, and modification of irrigation systems. Should these activities cause any damage to the basin, we will require that you promptly repair or pay for the repair of any damage caused by you or your licensee, sub-lessee, or vendor to a condition satisfactory to the District Engineer.

The United States and the Corps is not responsible for damages to property or injuries to persons which may arise from or be incident to the exercise of said use, or for damages to the property or injuries to you or to your agents, employees or others who may be in the reservoir by your invitation. If your activity results in any damage to the constructed reservoir, we will require that you promptly repair or pay for the repair of any damage caused by you to a condition satisfactory to the District Engineer.

A copy of this letter is also being furnished to Darryl Ford, Superintendent of Planning, City of Los Angeles Department of Recreation and Parks.

Should you have questions, the Real Estate point of contact is Mr. Daniel Hong at seunggun.hong@usace.army.mil, (213) 760-3550.

Seunggun (Daniel) Hong:

Discovery Cube Los Angeles (DCLA) is an approximately 57,000 square foot museum and science center located at 11800 Foothill Boulevard, in the Lake View Terrace community of the City of Los Angeles (City). DCLA is located on a 2.5-acre site within the 1,450-acre Hansen Dam Recreation Area.

Since 2013, the Department of Recreation and Parks (RAP) and DCLA, a non-profit organization based in the City of Santa Ana in Orange County, have enjoyed a partnership to bring cultural and educational enrichment to the surrounding Lake View Terrace community. The current Lease Agreement between RAP and DCLA was executed on January 4, 2013 and has a term of thirty (30) years with an option to extend for an additional twenty (20) year term.

It should be noted that a portion of the Project Request, described forthwith in the following section, is located on federally-owned land managed by the United States Army Corps of Engineers (USACE). The federally-owned land is leased to City for recreational purposes pursuant to Department of the Army Lease NO. DACW09-1-69-45 between USACE and the City for property located within the Hansen Flood Control Basin. Pursuant to the terms of both the lease agreement between RAP and DCLA and the Department of the Army Lease No. DACW09-1-69-45, the Project Request is also subject to the approval of the USACE. Once the Project Request is approved by the USACE, it will then be subject to the approval of the Board of Recreation and Parks Commissioners.

PROJECT REQUEST

DCLA is requesting an amendment to their current lease that will extend their boundaries on the West side facing Hansen Dam Recreation Center playground, as well as to the South along the larger parking lot's eastern border. Their proposal aims to transform the areas around DCLA into a hub for educational demonstrations, outdoor events, and family-friendly activities. As of their November 13, 2025 request, they plan to use the expansion's areas for the following:

1. Science Demo Zones: Designated areas will be equipped demonstration setups for interactive science experiments. Visitors will be able to witness live demonstrations, participate in hands-on activities, and learn about various scientific principles in an outdoor setting.
2. Event Tents and Outdoor Pavilion: These provide flexible spaces for workshops, presentations, and community events. A wide range of activities will be accommodated, from science talks to cultural celebrations. The outdoor pavilion will be an open-air structure per USACE's request.
3. Community Spaces: DCLA hosts several sponsored events every year. They are currently renovating their front courtyard's open area and turning it into exhibit space, so they will be losing a lot of their outdoor open spaces. The expansion area's landscaped green spaces will allow them to continue to provide related programming
4. Interactive Installations: Interactive educational displays will be strategically placed throughout the area and will provide information on environmental sustainability, space exploration, and other scientific topics. DCLA has specifically floated the possibility of having butterfly gardens in the southern portion of the expansion along the parking lot.

An updated request letter from November 13, 2025 has added that portion of land across from DCLA's existing leasehold on the corner of Osborne Street and Foothill Boulevard. This portion will be a continuation of the butterfly planters at DCLA's entrance. RAP's existing trees and equestrian trail will not be touched.

DCLA also proposes utilizing the vacated Stonehurst Avenue and northern side of the proposed Outdoor Pavilion as a loading dock and storage. Having the loading dock and storage so close to the Outdoor Pavilion will be more convenient for the rotating exhibits and events they plan to host, and using the vacated Stonehurst Avenue will provide street access to and from the Outdoor Pavilion.

RAP and DCLA have met on site to discuss the expansion and lease amendment proposal.

DCLA understands that in asking for an expansion of their lease, all of their current lease requirements will apply to the expansion area. As such, DCLA recognizes that all of their maintenance responsibilities will apply to the new area. Since there are existing RAP irrigation and sewer lines through the proposed expansion area that serves the RAP-operated Hansen Dam Recreation Center next door, DCLA will be rerouting the lines to keep our systems separate. DCLA has also agreed to fence off these sections according to RAP recommendations. Fencing along the vacated Stonehurst Avenue will be relocated and new fencing will be installed along the entirety of the expansion.

Dear Jimmy,

We are writing you on behalf of Discovery Cube Los Angeles to officially request an amendment to our current lease at 11800 Foothill Blvd. that will extend our boundaries on the west side facing the playground. This lease amendment would enhance our ability to serve the community, please see attachment A below, and enable us to expand our award-winning programming.

Our vision is to create an area that will have sustainable gardens, science trails, and a large open-air pavilion which will enable us to hold events like our gala, seasonal science festivals, educational programs, and interactive spaces that align with our commitment to fostering curiosity and learning. Councilwoman Monica Rodriguez has already reviewed the plan and has given us the green light to move forward.

We appreciate our 10 year partnership with Los Angeles Department of Recreation and Parks. Together we have created a vibrant and educational environment for residents and visitors alike. We believe the expansion of the current area would set the ground work for our two organizations to advance us into our next 10 years that will benefit the Cube, the park, and bring enrichment culturally and educationally to the community.

We would like to start the process immediately and await your direction for the next steps. Ultimately, our goal is to open the pavilion in time for the 2028 Olympics, so time is of the essence. We look forward to our next 10 years and the impact we will make together with you and the council district. We appreciate the consideration and look forward to the start of the next chapter!

Dear Jimmy,

I am writing on behalf of Discovery Cube Los Angeles to request an amendment to our current lease at 11800 Foothill Blvd. to extend our boundaries on the side facing the park. During our meeting with Councilwoman Monica Rodriguez, we identified a potential area adjacent to our current lease that would greatly enhance our ability to serve the community effectively (Please see Exhibit A & B below). This expansion would allow us to expand on our seasonal science festivals, educational programs, and interactive spaces that align with our commitment to fostering curiosity and learning.

We understand the value of collaboration between the City of Los Angeles and organizations like ours in creating a vibrant and educational environment for residents and visitors alike. We believe that an expansion of our current lease would not only benefit Discovery Cube Los Angeles but also contribute to the overall cultural and educational enrichment of the community.

Thank you for your time and attention to this matter. We are confident that with your support, we can continue to make a positive impact on the lives of those we serve.

Best,

Luis M Almonte
