

FIRST AMENDMENT TO AGREEMENT NO. 23-9989  
BETWEEN THE CITY OF LOS ANGELES  
TO TETRA TECH, INC.

THIS FIRST AMENDMENT to Agreement ("Agreement") is entered into between the CITY OF LOS ANGELES, a municipal corporation ("City"), acting by and through its Board of Harbor Commissioners ("Board") and TETRA TECH, INC., a Delaware corporation, 3475 E. Foothill Blvd., Pasadena, CA 91107 ("Consultant") as follows:

1. Section 3. EFFECTIVE DATE AND TERM OF AGREEMENT, paragraph B, is removed in its entirety and replaced with the following paragraph:

B. This Agreement shall be in full force and effect commencing from the date of execution and shall continue until:

1. December 31, 2029

or

2. The Board of Harbor Commissioners, in its sole discretion, terminates and cancels all or part of this Agreement for any reason upon giving to Consultant ten (10) days' notice in writing of its election to cancel and terminate this Agreement.

2. Section 5. COMPENSATION AND PAYMENT, paragraph B, is removed in its entirety and replaced with the following paragraph:

B. The maximum payable under this Agreement, including reimbursable expenses (see Exhibit B-1), shall be Eight Million Eight Hundred Twenty-Five Thousand Four Hundred Fifty One Dollars (\$8,825,451).

Except as amended herein, all remaining terms and conditions of Agreement No. 23-9989, as amended, shall remain in full force and effect.

Applicant is aware that pursuant to Charter Section 373 and Administrative Code Section 10.5, this Amendment requires approval by City Council prior to becoming effective.

## EXHIBIT A - SCOPE OF WORK ADDITIONAL SUBTASKS

The following subtasks are added to the existing Scope of Work:

- **Task 1 Subtask: Administer CTF incentive programs/support new grant funding initiatives**
  - Design and administer zero-emission truck trip incentive programs, including eligibility screening, application assistance, compliance tracking, and performance reporting.
  - Identifying incentive amount utilizing gate-trip rates, truck frequency, vehicle attributes, company size, and additional factors.
  - Application support, providing guidance and assistance for applicants.
  - Data Support for Funding Opportunities
    - Consolidate and analyze datasets, produce dashboards, and fulfill compliance and reporting requirements.
    - Provide updates and metrics for compliance monitoring including trip frequency, company statistics, and eligibility criteria.
  
- **Task 4 Subtask: Support New Agreement and Tariff Changes**
  - Implement a streamlined Licensed Motor Carrier (LMC) agreement including an online payment system aligned with POLB's registration system.
  - Integration and hosting of DayPass system to streamline DayPass services.
  - Provide transition support, compliance monitoring, and agreement tracking to the new systems and requirements.
  - Provide monitoring and status reports of new agreement status.
  - Provide support for agreement and annual truck fees.
  - Provide outline of new standard operating procedures to ensure complete review of documents in accordance with Port requirements.
  
- **Task 5 Subtask:— Maintain & Enhance PDTR, Concession Database, and Day Pass systems**
  - PDTR Research/Study
    - Complete an initial study to determine efficacy of database tools to migrate PDTR to Microsoft's platform (.NET).
    - Provide accurate estimates for hours, efforts, and budget needed for full migration.
    - Analyze and interpret Day Pass Source Code for initial study.
  - Concession Agreement Payment and Payment Processing
    - Additional feature allowing PDTR to provide payment support for agreement/registration fees.
    - Set up payment processing through PDTR.
  - .NET Platform Migration
    - Update and migrate PDTR .NET Framework to Microsoft .NET to modernize and ensure future support of PDTR with Microsoft.
    - The platform upgrade has been included as an additional subtask as it will require a major revision of the PDTR source code and is not an update to the existing systems.
  - Day Pass Integration into PDTR
    - Recode and migrate Day Pass system to .NET platform and integrate day pass into PDTR allowing streamlined data and payment processing.

## Scope of Work

This statement of work (SOW) is offered to Tetra Tech serving as the primary contractor for Clean Truck Program Services as well as Port Dray Truck Registry Services provided to the Ports of Los Angeles and Long Beach. This proposal covers:

- Executive, professional and technical services related to CargoWise Landside's participation on the Tetra Tech Team
- Hosting, help desk, support and maintenance of the Day Pass System, including the retail sales and provision of RFID tags as well as merchant account management services for the processing of Day Pass fees
- Merchant account management services associated to processing Annual Truck Fees paid through the Port Dray Truck Registry System (PDTR).

This SOW is structured around operating assumptions supplied by the Tetra Tech team and represents a good faith estimate of the services required to participate on the Tetra Tech team and fulfill our responsibilities in relation to these programs. The estimate may change as assumptions change or are refined.

#### Terms

Day Pass Hosting, Help Desk, Support and Maintenance as well as Merchant Account Services for the PDTR are fixed monthly fees. General Services are conducted only upon request and approval by the Ports on a time and materials basis, recorded in hours and billed at the end of each month by e-mail. **Payment terms are net 14 days and all current pricing is contingent upon Tetra Tech making payments within 14 days from the date of invoice.**

#### Conclusion

The above quote is contingent upon the organizational changes at CargoWise Landside (WiseTech Global) that will affect product support. We appreciate being included on the Tetra Tech team for this contract and very much look forward to working together.
