

MOTION

The Encino Neighborhood Council recently went through the process of selecting a new logo designed by a community member. The selected logo designer, Waltona Manion & Associates, and the City of Los Angeles are currently proceeding with an Assignment of Rights Agreement to transfer the ownership and rights of the logo license.

Action is needed to accept this donation of graphic design services for the Encino Neighborhood Council's new logo design. Council District 4 recognizes the administrative cost of time that this takes, and has been assured by the City Attorney that under the current City Charter and Los Angeles Administrative Code, the below explicit authorization by Council is required.

I THEREFORE MOVE that Council authorize the Department of Neighborhood Empowerment to accept the donation of a new logo design from the logo designer, Waltona Manion & Associates, on behalf of the Encino Neighborhood Council valued at \$25.

I FURTHER MOVE that Council authorize the General Manager of the Department of Neighborhood Empowerment, or designee, to negotiate and execute an Assignment of Rights Agreement with Waltona Manion & Associates to transfer the ownership and rights of the logo license to the City of Los Angeles, subject to the approval of the City Attorney as to form.
