

Communication from Public

Name: Jennifer Clark

Date Submitted: 09/16/2026 10:59 PM

Council File No: 26-1320

Comments for Public Posting: I support this motion to increase the amount of CARE+ service days in Council District 2. The encampments have become larger over the last few years and North Hollywood and Studio City areas especially have encampments with more hazardous debris and in need of deeper sanitation of the sidewalks and surrounding areas. For anyone reading my comment that is unfamiliar with the difference - this link gives helpful information:
