RE: COUNCIL FILE (CF) TRANSMITTAL – CF 26-1358

On October 7, 2026, the Arts, Parks, and City Facilities Committee considered the Municipal Facilities Committee (MFC) report, dated September 25, 2026, relative to authorizing the General Services Department (GSD) to negotiate and execute a Master License Agreement with the Los Angeles County Department of Public Health (DPH) to utilize City-owned property for the Medical Countermeasures Program during declared public health emergencies. After an opportunity for public comment was held, the Committee moved to approve the following recommendation contained in the MFC report:

AUTHORIZE the GSD to negotiate and execute a new Master License Agreement with the DPH to administer the Medical Countermeasures Program during emergency situations at City of Los Angeles, GSD-controlled properties under the terms and conditions substantially outlined in the MFC report dated September 25, 2026, attached to the Council file.

This Council file is now transmitted to the Homelessness and Health Committee.
