KAREN BASS
MAYOR

October 14, 2026

Honorable Members of the City Council
c/o City Clerk
Room 395, City Hall

Re: Notification of Fiscal Year 2025 Urban Areas Security Initiative (UASI) Grant Application, Award, and Request for Adoption of Governing Body Resolution

Dear Honorable Members:

The Fiscal Year 2025 (FY25) Urban Areas Security Initiative (UASI) Grant is issued by the U.S. Department of Homeland Security (DHS), through the Federal Emergency Management Agency (FEMA) to address the unique needs of high-threat, high-density metropolitan areas. These funds assist public safety agencies in building an enhanced and sustainable capacity to prevent, protect against, prepare for, and respond to acts of terrorism. Pursuant to Section 14.6 of the Los Angeles Administrative Code, the Mayor's Office is providing notification to the City Council of the submission of a grant application and award #2025-5020 (Attachment 1) for the FY25 UASI Grant.

Fiscal Year 2025 Application and Award

On August 1, 2025 the DHS announced the Urban Areas throughout the nation that were eligible to apply for $553.5 million through the FY25 UASI program, with a performance period effective from September 1, 2025 to May 31, 2028. DHS FEMA awards the funds to the California Governor's Office of Emergency Management (Cal OES) which acts as the State Administrative Agent (SAA) to disperse the federal funds to address identified planning, organization, equipment, training, and exercise needs to prevent, protect against, prepare for, and respond to acts of terrorism and other catastrophic events.

The UASI grant application was developed with input involving public safety agencies across the Los Angeles/Long Beach (LA/LB) Urban Area, including law enforcement, fire service, emergency management, and public health agencies The Urban Area Working Group (UAWG), composed of eighteen voting representatives from jurisdictions throughout the Urban Area, establishes homeland security priorities, identifies capability

gaps, and recommends programs and funding allocations to address regional threats and preparedness objectives. Consistent with prior UASI funding cycles, the Working Group recommended the final project list that was reviewed and approved by the eleven-member Approval Authority, representing jurisdictions across the Urban Area, including four representatives from the City of Los Angeles (Attachment 2). The Mayor's Office serves as the administrative and fiscal agent for the LA/LB Urban Area for all UASI awards and is responsible for submitting the grant application and related documents on behalf of participating jurisdictions.

On September 14, 2026, the Cal OES issued the FY25 UASI Allocation Letter to the City of Los Angeles for the LA/LB Urban Area under Award Number 2025-5020. The Office of City Attorney has included a Reservation of Rights letter (Attachment 3) to be included in the final award acceptance. The FY25 UASI allocation is $31,975,339. The UASI award does not require any cash or in-kind match.

Investment Justifications

The following Investment Justifications (IJs) were developed based on an assessment of regional core capabilities, identified gaps, evolving threat considerations, and guidance provided by Cal OES and DHS:

1. Supporting Homeland Security Task Forces and Fusion Centers
2. Enhance the Protection of Soft Targets/Crowded Places
3. Enhance Cybersecurity
4. Supporting Border Crisis Response and Enforcement
5. Strengthen Emergency Communications Capabilities through Planning, Governance, Technology, and Equipment
6. Enhance Medical and Public Health Preparedness
7. Strengthen Information Sharing and Collaboration
8. Enhance Multi-Jurisdictional/Inter-Jurisdictional All- Hazards/Whole Community Incident Planning, Response & Recovery Capabilities
9. Protect Critical Infrastructure and Key Resources (including Food & Agriculture)
10. Enhance Election Security

The final allocations resulted in the following: IJ1 (totaling $0); IJ2 (totaling $4,287,269); IJ3 (totaling $1,297,660); IJ4 (totaling $3,197,534); IJ5 (totaling $6,975,322); IJ6 (totaling $1,598,767); IJ7 (totaling $2,356,643); IJ8 (totaling $10,009,242); IJ9 (totaling $543,784); and IJ10 (totaling $1,709,118). Five percent of the UASI award is allocated toward Grant Management and Administration (totaling $1,598,767).

Each focus area will be addressed through a package of discrete projects designed to further its goal. Although several jurisdictions were allotted funding to implement specific projects, all projects are designed to have a primarily regional, rather than local, impact.

National Priority Areas

FY25 HSGP applicants are required to submit projects under an IJ for each of the five national priority areas identified below:

1. Enhancing the Protection of Soft Targets/Crowded Places
2. Supporting Homeland Security Task Forces and Fusion Centers
3. Enhancing Cybersecurity
4. Enhancing Election Security
5. Supporting Border Crisis Response and Enforcement

Governing Body Resolution

The Cal OES requires the submission of the attached Governing Body Resolution (Attachment 4) as a part of the application package that is due to them. The Governing Body Resolution authorizes specified LA City Officials to execute for and on behalf of the City of Los Angeles any actions necessary for the purpose of obtaining federal financial assistance under the FY25 UASI.

City of Los Angeles Projects

The City of Los Angeles received $9,701,636 for FY25 UASI projects, not including the Mayor's Office allocation for grant administration. In total, six City departments received funds for UASI projects:

- Emergency Management Department: $431,179
- Fire Department: $2,968,173
- Police Department: $4,552,284
- Cybersecurity-ITA: $350,000
- Harbor: $700,000
- LAWA: $700,000

Some notable City projects to be funded by the $9,701,636 will include:

<u>Emergency Management Department (EMD)</u>

Special Events Coordinator
The Special Events Coordinator (EMSEC) project will sustain and enhance the City of Los Angeles' capability to coordinate emergency management planning, preparedness, response, and recovery efforts associated with local and regional special events, public-private initiatives, and emerging incidents. The EMSEC will act as the EMD liaison to incidents and/or special events that arise locally and regionally, and will provide strategic leadership, interagency coordination, and subject matter expertise for emergency management activities related to major planned events and regional initiatives, while

serving as a liaison between City departments, public and private partners, and regional stakeholders. The position will support the operationalization of critical emergency management programs and initiatives, identify and address capability gaps associated with large-scale and high-profile events, and develop recommendations and solutions to strengthen community preparedness, continuity, and regional coordination efforts.

Defense Support of Civil Authorities (DSCA) Exercise Series
The DSCA Exercise Series project will enhance the City of Los Angeles' capability to coordinate emergency operations and regional response efforts with military and federal partners during disasters, large-scale incidents, and special events that exceed local response capacity. Through the procurement of a consultant to design, coordinate, and execute a series of seminars, workshops, tabletop exercises, and drills, the project will evaluate Emergency Operations Center (EOC) coordination capabilities, regional interoperability, and civil-military coordination during DSCA deployments. The exercise series will incorporate lessons learned and best practices from prior exercises to identify capability gaps, strengthen responder readiness, improve regional coordination among emergency management and military partners, and enhance the City's ability to rapidly respond to and recover from natural or human-caused hazards.

Annual EOC Functional Exercise
The EOC Functional Exercise project will enhance the City of Los Angeles' capability to coordinate and manage large-scale emergency operations through the execution of a Level I EOC Functional Exercise based on identified core capabilities, threats, and hazards outlined in the Integrated Preparedness Plan (IPP). The project will procure a consultant to design, coordinate, and conduct a professionally facilitated functional exercise that will test the City's highest level EOC activation capabilities and evaluate regional coordination among City departments, the County of Los Angeles, and partner agencies. Implementation of this project will strengthen responder readiness, improve operational coordination and decision-making, identify capability gaps, and enhance the City's ability to effectively respond to and recover from natural or human-caused incidents impacting the region.

<u>Los Angeles Police Department (LAPD)</u>

Operations and Maintenance to Existing Systems
The Operations and Maintenance to Existing Systems project will sustain and enhance the City of Los Angeles' interoperable Land Mobile Radio (LMR) communications system to ensure reliable, region-wide communications capabilities for first responders and partner agencies during daily operations and emergency incidents. The project supports continued system reliability, enhanced roaming and interoperability capabilities, shared emergency communications channels, and real-time coordination of resources during high-alert and regional incidents. Continued maintenance and operational support of the

system will strengthen responder safety, improve regional coordination, and ensure uninterrupted communications capabilities critical to emergency response and incident management.

Bomb Squad Training
LAPD Bomb Squad Regional project supports regional homeland security capabilities by providing specialized, advanced training, equipment modernization, and interoperability tracking for the LAPD Bomb Squad (Emergency Services Division). Funding will sustain core Chemical, Biological, Radiological, Nuclear, and Explosive (CBRNE) and Explosive Ordnance Disposal (EOD) readiness for twenty-six (26) FBI-certified bomb technicians responding to over Four Hundred (400) high-risk service calls annually within the high-threat, high-density Los Angeles urban area. Anticipated contracts include specialized tactical courses (including render-safe techniques, post-blast investigations, robotics, and threat assessments aligned with NBSCAB guidelines) and advanced data-tracking system development to manage, audit, and verify complex federal and state training compliance metrics. This project directly addresses regional THIRA/SPR gaps by enhancing the team's ability to prevent, protect against, mitigate, and respond to improvised explosive devices (IEDs), weaponized chemical compounds, and catastrophic terrorist incidents.

DVE Training
The Domestic Violent Extremism (DVE) Training project will provide specialized training to enhance first responders' awareness, understanding, and identification of evolving domestic violent extremism threats, tactics, and methodologies. The project will address existing capability gaps by delivering updated intelligence and threat-awareness training designed to improve preparedness, prevention, and response capabilities related to individuals and groups associated with domestic violent extremism activity. Training will be made available to first responders and partner agencies throughout the Joint Regional Intelligence Center (JRIC) six-county region, including Los Angeles, San Luis Obispo, Santa Barbara, Ventura, Riverside, and San Bernardino counties, to strengthen regional coordination, information sharing, and public safety capabilities.

<u>Los Angeles Fire Department (LAFD)</u>

Joint Regional Intelligence (JRIC) Officer for Terrorism Liaison Officer (TLO) and Unified Response to Violent Incidents (URVI)
The JRIC Officer project will support regional information sharing, intelligence coordination, and situational awareness capabilities by funding a dedicated resolution authority fire service position assigned to the JRIC. The position will maintain and enhance regional situational awareness related to threats, hazards, and incidents impacting the Operational Area, while serving as a liaison between the fire service, public safety partners, and federal agencies, including the DHS. The JRIC Fire Officer will

support the development of a comprehensive assessment and implementation strategy for the establishment of a Los Angeles Operational Area Fire Service Intelligence Enterprise designed to strengthen information sharing and coordination between the fire service and homeland security partners. In addition, the position will facilitate and support regional TLO training and outreach efforts to enhance regional preparedness, intelligence sharing, and threat recognition capabilities among partner agencies throughout the region.

Regional Training Group (RTG)
The RTG project will support continued regional training and preparedness efforts throughout the LA/LB Urban Area by funding a Resolution Authority Battalion Chief position assigned to the LAFD. In coordination with the Los Angeles Area Fire Chiefs Association (LAAFCA), the RTG will oversee the planning, coordination, development, and delivery of multi-jurisdictional training programs, exercises, and preparedness initiatives designed to enhance regional emergency response capabilities and interoperability among fire service and public safety agencies. The project will strengthen regional coordination, improve responder readiness, support standardized training efforts, and enhance the Operational Area's ability to prepare for, respond to, and recover from all-hazards and terrorism-related incidents.

Catastrophic Planning Personnel
This project will provide backfill and overtime funding for staffing and planning efforts necessary to enhance the City of Los Angeles' and the LA/LB Urban Area's preparedness and response capabilities for catastrophic incidents and large-scale emergencies. The project will strengthen regional readiness by supporting personnel responsible for emergency planning, coordination, and resource management activities to ensure critical resources, operational capabilities, and interagency coordination mechanisms are in place and readily available during major incidents. Implementation of this project will improve regional response coordination, operational preparedness, and the ability to rapidly mobilize and sustain emergency operations during catastrophic events impacting the region.

Critical Infrastructure Key Resource (CIKR)
The CIKR project will support LAFD personnel assigned to the JRIC with backfill and overtime funding in conducting critical infrastructure assessments, site visits, and follow-up evaluations of facilities throughout the Operational Area. Assessments will be conducted in accordance with applicable standards, guidelines, and best practices established under the National Infrastructure Protection Plan, DHS, Department of Defense, Homeland Security Presidential Directive 7, and the Protected Critical Infrastructure Information Act of 2002. The project will enhance regional critical infrastructure protection efforts by supporting the categorization, prioritization, and assessment of facilities from an all-hazards and all-risk perspective to improve situational

awareness, strengthen infrastructure resilience, and enhance public safety and preparedness capabilities throughout the region.

Joint Hazard Assessment Team (JHAT)
The JHAT project will provide backfill and overtime funding to support continued LAFD staffing and operational capabilities for the Joint Hazard Assessment Team, a multidisciplinary response team responsible for coordinating specialized responses to CBRNE threats and incidents throughout the region. The project enhances integrated coordination among Hazardous Materials, Urban Search and Rescue, Bomb Squad, and Special Weapons and Tactics personnel to ensure safe, rapid, and effective response operations in complex hazardous environments. Continued funding for JHAT staffing will strengthen regional preparedness, improve interagency coordination, support rapid threat assessment and operational decision-making, and sustain critical response capabilities for high-risk incidents impacting the City of Los Angeles and the broader Operational Area.

Los Angeles Cybersecurity-ITA

Cyber Threat Intelligence Sharing Platform (TISP)
The TISP project will support regional intelligence, information sharing, and operational coordination efforts. The increasing complexity of threats and the growing need for timely, cross-jurisdictional intelligence require sustained regional collaboration and analytical support. Many local jurisdictions continue to face limited capacity to fully engage in structured intelligence and information-sharing initiatives. This funding will support enhanced coordination functions, improve interoperability across partner agencies, and strengthen the region's ability to identify, assess, and respond to emerging threats.

MS-ISAC Monitoring and Analysis Service
The MS-ISAC project will support continued cybersecurity monitoring and threat analysis services for City departments. This project will sustain 24/7 real-time network flow monitoring, security event detection, and incident notification and response support. MS-ISAC services collect, correlate, and analyze network security data across City systems to identify potential threats and vulnerabilities. Through continuous monitoring and technical assistance, the program will enhance the City's ability to detect, respond to, and mitigate cyber threats that could impact critical infrastructure and essential services.

Harbor Department

Land Mobile Radio (LMR) Maintenance
The Operations and Maintenance to Existing Systems project will sustain and enhance the City of Los Angeles' interoperable LMR communications system to ensure reliable, region-wide communications capabilities for first responders and partner agencies during daily operations and emergency incidents. The project supports continued system

reliability, enhanced roaming and interoperability capabilities, shared emergency communications channels, and real-time coordination of resources during high-alert and regional incidents. Continued maintenance and operational support of the system will strengthen responder safety, improve regional coordination, and ensure uninterrupted communications capabilities critical to emergency response and incident management.

Los Angeles World Airports

Operations and Maintenance to Existing Systems
The Operations and Maintenance to Existing Systems project will support the sustainment and upgrade of the City of Los Angeles' existing P25 trunked LMR system in support of regional emergency communications and interoperability capabilities. The project will ensure reliable, region-wide communications for first responders and partner agencies during daily operations, planned events, and emergency incidents through continued system maintenance, operational support, and infrastructure enhancements. The project supports enhanced roaming and interoperability capabilities, shared emergency communications channels, and real-time coordination of resources during high-alert and regional incidents, while strengthening responder safety, regional coordination, and uninterrupted communications capabilities critical to emergency response and incident management.

Management and Administration

Grant Administration Services
The Mayor's Office requests authority to enter into contract with a temporary employment agency and/or other vendors to assist with grant administration and cybersecurity-related functions. These projects will support administrative, fiscal, monitoring, contractual, and cybersecurity-ITA services to provide effective management, oversight, compliance, and implementation of grant-funded programs and projects.

Fiscal Year 2025 UASI Grant Cash Flow
The Cal OES allows the City, as fiscal agent for the Urban Area, to request funds up to 120 days prior to an eligible expenditure.

Jurisdictional Resource Allocations

The following outlines the distribution of FY25 grant funds by jurisdiction. As with prior UASI grants, the City will execute contracts with each recipient to formally allocate funding and document approved expenditure plans.

Most projects and programs funded under this grant rely on coordinated implementation across multiple jurisdictions to advance the shared IJ priorities. The Cal OES–approved

FY25 UASI Budget identified in Attachment 5 outlines the specific projects, funding allocations, and partner jurisdictions supporting these efforts. A subset of the approved budget reflecting only City of Los Angeles project items are included in Attachment 6.

Department / Jurisdiction	**FY25 UASI Allocation**	
City of Los Angeles		
Cybersecurity-ITA	$	350,000.00
EMD	$	431,179.00

RECOMMENDATIONS

IT IS THEREFORE requested that the City Council:

1. **AUTHORIZE** the Mayor's Office to submit the FY 2025 Urban Areas Security Initiative grant application to the California Governor's Office of Emergency Services on behalf of the City of Los Angeles and the Los Angeles/Long Beach Urban Area, for the $31,975,339 allocation (after an anticipated 17.3% Cal OES pass through retention);

2. **ADOPT** the attached Governing Body Resolution to designate the City entities that will apply for and manage Federal financial assistance provided by the United States Department of Homeland Security and subawarded through the State of California;

3. **AUTHORIZE** the Mayor, or her designee, to:

    a. **ACCEPT** on behalf of the City and the LA/LB Urban Area, the FY25 UASI grant award in the amount of $31,975,339, awarded by the DHS through the Cal OES, for the performance period of September 1, 2025 to May 31, 2028;

    b. **SUBMIT** to the grantor on behalf of the City and the LA/LB Urban Area, requests for the drawdown of funds for payment or reimbursements of City and partner jurisdiction funds expended for approved grant purposes;

    c. **EXECUTE** subrecipient contracts, subject to the approval of the City Attorney as to form, for the distribution of the FY25 UASI grant funds, for a term of 33 months within the applicable performance period with

participating jurisdictions including: Alhambra, Beverly Hills, Burbank, Culver City, Glendale, Hawthorne, Inglewood, Long Beach, Monterey Park, Pasadena, San Fernando, Santa Monica, South Pasadena, Torrance, LA-RICS, ICI System, and County of Los Angeles consistent with the approved grant budgets and in accordance with the Subrecipient Agreement included as Attachment 7;

d. **EXECUTE** a Memorandum of Agreement, subject to the approval of the City Attorney as to form, for the distribution of the FY25 UASI grant funds, for a term of 33 months with the Los Angeles World Airports (LAWA) and City of Los Angeles Harbor Department (Port of LA) consistent with the approved grant budgets;

e. **RELEASE** requests for proposals, evaluate proposals, and negotiate contracts for the purchase of approved commodities including services on behalf of City departments;

f. **EXECUTE** on behalf of the City, the contracts referenced in Attachment 8 for a term of 33 months within the applicable performance period, subject to the approval of the City Attorney as to form;

g. **NEGOTIATE** and execute a contract with a vendor to assist the Mayor's Office grant, contract and/or fiscal teams, for a term up to 24 months, within the grant performance period, in an amount not to exceed $100,000, subject to the approval of the City Attorney as to form; and

h. **RECEIVE**, deposit into, and disburse from a new FY25 UASI Homeland Security Grant Fund, the grant funds from the FY25 UASI grant award.

4. **AUTHORIZE** Position Authority Resolution for two grant-funded sworn positions for the Los Angeles Fire Department for FY 2026-27 and subsequent fiscal years, one for the Joint Regional Intelligence Center and one for the Regional Training Group:

Quantity	Class Code	Class Title
1	2142-2	Captain II
1	2152	Battalion Chief

5. **AUTHORIZE** the Controller, or his designee, to:

a. **ESTABLISH** a new interest-bearing fund entitled "FY25 UASI Homeland Security Grant Fund" and create a receivable in the Fund in the amount of $31,975,339 for the FY25 UASI grant;

b. EXPEND, disburse from, and transfer FY25 grant funds for approved expenditures for City departments and LA/LB Urban Area participants upon presentation of proper documentation and approval by the Mayor's Office; and

c. TRANSFER funds between appropriation accounts upon request by the Mayor, pursuant with modifications approved by the grantor.

6. ADOPT the FY25 UASI Grant Budget and authorize the Mayor's Office to create new appropriation accounts within the FY25 UASI Homeland Security Grant Fund No. XXX/46, as follows:

Appropriation Acct. No.	Account Name	Amount
46E138	Fire	$1,456,591.00
46E170	Police	$67,289.00
46E938	LAFD Grant Allocation	$1,324,967.00
46E970	LAPD Grant Allocation	$4,469,573.00
46E299	Reimbursement of General Fund Costs	$202,037.00
46E668	Partner Jurisdictions	$19,354,936.00
46E904	LAWA Grant Allocation	$700,000.00
46E942	Harbor Grant Allocation	$700,000.00
46E935	EMD Grant Allocation	$431,179.00
46E946	Management & Administration	$1,518,767.00
46E950	LA/LB Region	$1,400,000.00
	TOTAL	**$31,975,339.00**

7. TRANSFER appropriations from FY25 UASI Homeland Security Grant Fund No. XXX/46, to reimburse the General Fund for FY25 UASI as follows:

Transfer From:

Fund/Dept	Account No.	Account Name	Amount
XXX/46	46E138	LAFD	$1,456,591.00
XXX/46	46E170	LAPD	$67,289.00
		TOTAL	**$1,523,880.00**

Transfer To:

Fund/Dept	Account No.	Account Name	Amount
100/38	001012	Salary, Sworn	$254,835.00
100/38	001098	Sworn Overtime	$1,201,756.00
100/70	001092	Sworn Overtime	$67,289.00
		TOTAL	**$1,523,880.00**

8. **AUTHORIZE** the Controller, or his designee, to:

    a. **TRANSFER** up to $186,615 from Fund No. XXX, Account No. 46E299 to the General Fund, Department No. 38, Revenue Source Code No. 5346, for reimbursement of grant-funded fringe benefits, and

    b. **TRANSFER** up to $15,422 from Fund No. XXX, Account No. 46E299 to the General Fund, Department No. 70, Revenue Source Code No. 5346, for reimbursement of grant-funded fringe benefits.

9. **AUTHORIZE** the Controller, or his designee, to transfer cash from Fund XXX/46 to reimburse the General Fund, on an as-needed basis, upon presentation of proper documentation from City Departments, subject to the approval of the Mayor's Office of Public Safety; and

10. **AUTHORIZE** the Mayor, or her designee, to prepare Controller instructions for any technical adjustments, subject to approval of the City Administrative Officer (CAO), and authorize the Controller to implement the instructions.

Sincerely,

Karen Bass

DELIVERED VIA E-MAIL: emily.helder@lacity.org

Emily Helder
Director of Grants and Finance
Office of Mayor Karen Bass/LA-LB UASI
200 N. Spring Street, Room 303
Los Angeles, CA 90012

SUBJECT: **NOTIFICATION OF SUBRECIPIENT ALLOCATION**
Fiscal Year (FY) 2025 Homeland Security Grant Program (HSGP)
Subaward #2025-5020
Subaward Performance Period: 09/01/2025 - 06/30/2028

Dear Emily Helder:

We are pleased to announce the approval of your FY 2025 subaward in the amount of $31,975,339.

Once the completed application is received and approved, reimbursement of eligible subaward expenditures may be requested using the California Governor's Office of Emergency Services (Cal OES) Financial Management Forms Workbook. Supporting documentation and/or additional information may be required as part of the reimbursement process.

This subaward is subject to requirements in 2 CFR, Part 200, including the Notice of Funding Opportunity (NOFO), the Preparedness Grants Manual, the California Supplement to the NOFO, FY 2025 Standard Assurances, reporting requirements, and all applicable federal, state, and local requirements. All activities funded with this subaward must be completed within the subaward performance period.

Subrecipients must obtain additional written approval **prior** to incurring costs for activities such as aviation, watercraft, allowability request logs, noncompetitive

procurement, and projects requiring Environmental Planning and Historic Preservation review.

Your organization will be required to prepare and submit Financial and Performance Progress Reports for the duration of the subaward performance period or until all activities are completed and the subaward is formally closed. Throughout the subaward cycle, milestones set in the reports will be used as indicators of project feasibility, performance, and grant management capacity. This information may also be used in assessing proposals for future grant opportunities. Failure to submit required reports could result in subaward reduction, suspension, or termination.

All projects associated with National Priority Area Investment Justification #4 - Supporting Border Crisis Response and Enforcement, and Investment Justification #10 - Enhance Election Security are on hold pending FEMA effectiveness review and approval. Subrecipients are not authorized to expend funds for these projects until the programmatic holds are removed and authorization to proceed is provided by Cal OES.

HSGP requirements include Urban Area Working Group (UAWG) concurrence regarding the allocation of Grant Subaward funding. Your signature verifies that your UAWG reached consensus regarding the allocation of this subaward.

Your dated signature is required in this letter. Please sign and return a copy to your Grants Analyst within 20 calendar days upon receipt and keep a copy for your records. For further assistance, please contact your Grants Analyst.

KAREN BASS
MAYOR

To Whom It May Concern:

The City of Los Angeles is pleased to accept its award for the FY 2025 UASI Grant. However, the City notes that there are court orders enjoining various FY 25 DHS terms and conditions, their applicability, and their enforcement. In accepting this subaward, the City of Los Angeles expressly does not waive or relinquish any legal rights or defenses available to it in the event of any adverse enforcement action, nor does it waive any rights or defenses concerning the imposition of enjoined, inapplicable, unlawful, or unclear conditions.

The FY 2025 DHS Terms and Conditions purport to impose conditions enjoined as to the City of Los Angeles by *County of Santa Clara v. Noem, 3:25-cv-8330, (N.D. Cal.).* The enjoined provisions remain in the award documents, and the City of Los Angeles is unable to modify the text of the award documents to excise those provisions. Therefore, the City withholds consent and objects to the inclusion of the 2025 DHS Standard Terms and Conditions, Version 3, dated April 18, 2025, in any method of incorporation (including but not limited to the Notice of Award, the Notice of Funding Opportunity, and the grant agreement), all of which are legally unenforceable. Pursuant to the court's order, DHS is enjoined from withholding, freezing, or conditioning the City of Los Angeles' funds based on those terms, and the City's acceptance of these grant funds and any future drawdowns or reimbursement requests in no way reflect acceptance of those enjoined terms.

Furthermore, Cal OES has advised that the City is not permitted to modify the text of the application to excise these prohibited conditions. Therefore, the City withholds consent to and objects to the inclusion of the following conditions, which are legally unenforceable, and the City's submission of the grant application and acceptance of the award in no way reflects acceptance of these prohibited conditions:

- FY 2025 Standard Assurances for Cal OES Federal Non-Disaster Preparedness Grant Programs, Standard Assurance #6, Anti-Discrimination

- FY 2025 Standard Assurances for Cal OES Federal Non-Disaster Preparedness Grant Programs, Standard Assurance #40, Presidential Executive Orders

The City of Los Angeles further objects to, and reserves all rights as to its claims related to, any DEI disclosure requirement and the civil rights conditions, as defined in the complaint in *Santa Clara County et al. v. Noem et al.,* pending further proceedings, including final judgment in the case.

Additionally, specified terms or any materially similar terms are subject to the permanent injunction and vacatur in *Illinois v. FEMA, 1:25-cv-00206 (D.R.I.)* and the preliminary injunction in *San Francisco v. Trump, 3:25-cv-01350 (N.D. Cal.).* To the extent those terms are incorporated in the award, the City of Los Angeles withholds consent to and objects to their inclusion. These terms are legally unenforceable, and the City of Los Angeles' acceptance of any grant funds and any future drawdowns or reimbursement requests in no way reflect acceptance of those enjoined terms.

The City's submission of this application, acceptance of the award, and consent is contingent on the challenged conditions being enjoined.

Finally, in the event that any of the listed injunctions are lifted, dissolved, or otherwise expire, the enjoined conditions will not be imposed or enforced against the City as to the period that the injunction was in effect. In the event the relevant grant conditions are no longer enjoined, the enjoined terms shall not be applied automatically prospectively to the City of Los Angeles. The City reserves the right to revisit its submissions at a later date.

Sincerely,

Sue Stengel

Sue Stengel
Interim Deputy Mayor of Public Safety

GOVERNING BODY RESOLUTION

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LOS ANGELES THAT:

Chief of Staff, Mayor's Office, OR

Deputy Chief of Staff, Mayor's Office, OR

Deputy Mayor, Mayor's Office of Public Safety, OR

Senior Director of Grants and Finance, Mayor's Office, OR

Deputy Director of Grants and Finance, Mayor's Office, OR

City Administrative Officer (or Designee), Office of the City Administrative Officer,

is hereby authorized to execute for and on behalf of the City of Los Angeles, a public entity as established under the laws of the State of California, any actions necessary for the purpose of obtaining federal financial assistance under the Urban Areas Security Initiative (UASI) FY 2025, as well as prior year UASI grants (FY 2019, FY 2020, FY 2021, FY 2022, FY 2023, and FY 2024) provided by the Federal Department of Homeland Security and sub-granted through the State of California.

Passed and approved this _____ day of _____, 2026.

Certification

I, Patrice Y. Lattimore, duly appointed and City Clerk of the City of Los Angeles do hereby certify that the above is a true and correct copy of a resolution passed and approved by the City Council of the City of Los Angeles on the _____ day of _____, 2026.

CITY CLERK

_____

Patrice Y. Lattimore

AGREEMENT NUMBER _____ OF CITY CONTRACTS
BETWEEN
THE CITY OF LOS ANGELES
AND _____

THIS SUBAWARD AGREEMENT ("Agreement" or "Contract") is made and entered into by and between the City of Los Angeles, a municipal corporation (the "City"), and _____, (the "Subrecipient"). In consideration of the mutual covenants set forth herein and the mutual benefits to be derived therefrom, the City and Subrecipient (each a "Party" and collectively, the "Parties") agree as follows:

I. GENERAL INFORMATION

§1.1 Federal Award Information

The "Federal award" (as such term is defined in the Code of Federal Regulations ("CFR"), 2 CFR §200.38, and used in this Agreement) is the Fiscal Year (FY) 2025 Urban Area Security Initiative Grant Program, FAIN #_____, CFDA #_____, Federal Award Date_____. This is not a "Research & Development" award as defined in 2 CFR §200.87 and 200.331, and there is no "indirect cost rate" for this federal award as defined in 2 CFR §200.56 and 200.331.

The "Federal awarding agency" (as such term is defined in 2 CFR §200.36 and used in this Agreement) is the United States Department of Homeland Security, Federal Emergency Management Agency, Grants Program Directorate ("DHS").

The State of California, through its Governor's Office of Emergency Services ("CalOES"), acts as the "pass-through entity" (as such term is defined in 2 CFR §200.74 and used in this Agreement) for the subaward of the Federal award to the City for the benefit of the Los Angeles/Long Beach Urban Area ("LA/LBUA") in the amount of _____.

The City, acting through its Mayor's Office of Public Safety ("Mayor's Office"), acts as the pass-through entity for this subaward of the Federal award to Subrecipient.

§1.2 Subaward Information and Period of Performance

Subrecipient hereby accepts the following subaward ("Subaward") of the Federal award upon the terms and conditions set forth in this Agreement:

Subaward amount: _____

Subaward Period of Performance ("Term"): _____

Match Requirement: **None**

Subrecipient Identifier:

Indirect Cost Rate for Subaward: **None**

The term of this Agreement shall be the "Term" as set forth in this Section 1.2.

§1.3 Parties and Notice

The Parties to this Agreement, and their respective representatives who are authorized to administer this Agreement and to whom formal notices, demands and communications shall be given are as follows:

Party:	City of Los Angeles
Authorized Representative:	Sue Stengel, Deputy Mayor
Authorized Department:	Mayor's Office of Public Safety
Address, Phone, Fax, E-mail:	200 N. Spring Street, Room 303 Los Angeles, CA 90012 Phone: (213) 756-3406 Email: sue.stengel@lacity.org

Party: _____

Authorized Representative: _____
Authorized Department: _____

Address, Phone, Fax, E-mail: _____

Copy to: _____

Formal notices, demands and communications to be given hereunder by either Party shall be made in writing and may be effected by personal delivery or by registered or certified mail, postage prepaid, return receipt requested and shall be deemed communicated as of the date of mailing. If the name of the person designated to receive the notices, demands or communications or the address of such person is changed, written notice shall be given, in accordance with this section, within five business days of said change.

§1.4 Authorities

The Los Angeles City Council and the City's Mayor have accepted the Federal award and have authorized the City to execute this Agreement

(C.F. # _____).
Subrecipient warrants that it has obtained written authorization from its governing board or authorized body to execute this Agreement and accept and use the Subaward. Subrecipient further warrants that such written authorization specifies that Subrecipient, governing board or authorized body agree:

a. That any liability arising out of the performance of this Agreement shall be the responsibility of Subrecipient, governing board or authorized body.
b. That Subaward funds shall not be used to supplant expenditures controlled by governing board or authorized body.
c. That the official executing this Agreement is authorized to do so.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

II. SUBAWARD TERMS AND CONDITIONS

§2.1 Summary of Requirements

By executing this Agreement, Subrecipient hereby agrees that it shall comply with all terms and conditions set forth in this Agreement, which includes all guidance, regulations and requirements (collectively, "Requirements") of the Federal awarding agency and CalOES that are applicable to a recipient and/or subrecipient of a Federal award or grant. Such Requirements are set forth in the following documents and incorporated herein by this reference: (1) Department of Homeland Security FY 2025 Homeland Security Grant Program Notice of Funding Opportunity ("DHS NOFO"), (2) FY 2025 DHS Standard Terms and Conditions ("DHS Standard Conditions") **(Exhibit A),** (3) FEMA Information Bulletins ("IB"), (4) CalOES 2025 Homeland Security Grant Program California Supplement to the Federal Notice of Funding Opportunity ("CalOES Supplement"), (5) CalOES 2025 Standard Assurances for All CalOES Federal Grant Programs ("CalOES Assurances") **(Exhibit B),** (6) CalOES Grant Management Memos ("GMM"), and (7) the cost principles, uniform administrative requirements and audit requirements for federal grant programs as housed in Title 2, Part 200 of the CFR and in updates issued by the Office of Management and Budget ("OMB") on http:///www.whitehouse.gov/omb/.

Subrecipient hereby certifies that it has the institutional, managerial and financial capability to ensure proper planning, management and completion of its projects being funded by the Subaward **(Exhibit C).**

§2.2 City Administrative Requirements

A. Subrecipient acknowledges and agrees that the City is acting as a "pass-through entity" (as such term is defined in 2 CFR §200.74 and used in this Agreement) for this Subaward and that the City shall have the rights and obligations relating to this Subaward and its administration as set forth in this Agreement and in 2 CFR Part 200.

B. Subrecipient and the City have previously completed a mutually approved Budget/Expenditure Plan as incorporated in the Financial Management Forms Workbook (the "Workbook"), which is pending approval by CalOES (the "Budget") and is attached hereto as **Exhibit C**. Upon approval by CalOES, such Budget shall be the effective Budget for this Agreement. The Workbook contains detailed listings of items and projects and the amount of Subaward funds allocated for such items and projects. The City shall provide Subrecipient with an electronic Workbook of Subrecipient's projects. Subrecipient shall use the Subaward funds strictly in accordance with the Workbook, and any expenditures not so made shall be deemed disallowed under this Subaward.

Any request by Subrecipient to modify the Workbook must be made in writing and accompanied by a completed Modification Request Form

(attached hereto as **Exhibit D**), all required supporting documentation and a revised Workbook showing such modification. Workbook modification requests must be submitted prior to deadlines set by the City. Inaccurate or incomplete requests shall be returned to the Subrecipient for revision. Subrecipient shall not expend any funds on modified Workbook items until such modification is approved by the City and CalOES.

C. Subrecipient previously submitted to the City a Project Application in connection with the Subaward, which included a Project Timeline ("Project Timeline") setting forth milestones and completion dates for projects funded under the Subaward. Subrecipient shall manage its projects in accordance with the Project Timeline and provide, in a timely manner, any plans and reports requested by the City regarding the status of such projects. If a Workbook modification request requires a modification to the Project Timeline, Subrecipient shall update the Project Timeline accordingly and submit it along with its Workbook modification request for approval.

D. Subrecipient shall complete and deliver to the City all forms required by CalOES pertinent to the implementation of Subrecipient's projects under the Subaward. Such forms, which are collectively attached hereto as **Exhibit E**, include: (1) an aviation equipment request form, (2) a watercraft equipment request form, (3) an Environmental and Historical Preservation ("EHP") request form, and (4) a sole source procurement request form. Approval of such requests and forms shall be made by the City and CalOES in their respective sole discretion. Subrecipient acknowledges that all such forms must be approved by the City and CalOES ***prior*** to expending Subaward funds. Failure to gain advance approval of such completed requests and forms by the City and CalOES may result in the disallowance of such costs incurred by Subrecipient.

E. Subrecipient agrees that any equipment, product, service or activity funded with this Subaward shall comply with any and all technological and/or interoperability specifications and standards as may be approved by the LA/LBUA region, and any such equipment, product, service or activity not so compliant shall be not eligible for funding by this Subaward. Subrecipient shall further ensure that it retains from its contractors, subcontractors, and vendors all rights related to inventions, copyrightable materials, and data for which the Federal awarding agency and CalOES has rights to, as more fully set forth in 2 CFR §315 and Section 2.3.P. of this Agreement.

F. Any "equipment" (as such term is defined in 2 CFR §200.33 and used in this Agreement) acquired or obtained with Subaward funds: (1) shall be made available pursuant to applicable terms of the California Disaster and Civil Defense Master Mutual Aid Agreement in consultation

with representatives of the various fire, emergency medical, hazardous materials response services, and law enforcement agencies within the jurisdiction of the LA/LBUA, and deployed with personnel trained in the use of such equipment in a manner consistent with the California Law Enforcement Mutual Aid Plan or the California Fire Services and Rescue Mutual Aid Plan; (2) shall be consistent with needs as identified in the State Homeland Security Strategy and will be deployed in conformance with that Strategy; and (3) shall have an LA/LBUA identification decal affixed to it, and, when practical, shall be affixed where it is readily visible and prominently marked as follows: "*Purchased with funds provided by the U.S. Department of Homeland Security*."

Subrecipient shall take a physical inventory of all equipment acquired or obtained with Subaward funds and reconcile the results with equipment records at least once every year.

G. This Subaward is not a “fixed amount award” as such term is defined in 2 CFR §200.45. Subrecipient agrees that disbursement of this Subaward to Subrecipient shall be made on a reimbursement method. If Subrecipient requests advance payment of Subaward funds, Subrecipient shall comply with, and provide evidence to the City of compliance with, the criteria and obligations related to the use of advance payments as set forth in 2 CFR §200.305 as well as satisfying any other City and CalOES requirements for advance payments.

In requesting reimbursement from Subaward funds, Subrecipient shall provide to the City a completed Reimbursement Request Form (attached hereto as Exhibit D) along with invoices, purchase orders, proof of delivery, proof of payment and payroll records, timesheets, receipts and any other supporting documentation necessary to fully and accurately describe the expenditure of funds for which reimbursement from the Subaward is requested (collectively, the “Reimbursement Request”). All such supporting documentation for the Reimbursement Request shall satisfy applicable Federal, State and City audit and review standards and requirements. Such documentation shall be prepared at the sole expense and responsibility of Subrecipient, and the City and the Subaward will not reimburse the Subrecipient for any costs incurred for such preparation. The City reserves the right to request additional supporting documentation to substantiate costs incurred at any time. Inaccurate and/or incomplete Reimbursement Requests shall be returned to Subrecipient for revision.

The City shall forward Reimbursement Requests to CalOES for payment within thirty (30) days of receipt, provided such request is deemed accurate and complete. The City shall reimburse Subrecipient within thirty (30) days of its receipt of funds from CalOES.

Final Reimbursement Requests for this Subaward must be received by the City no later than One Hundred Twenty (120) days prior to the end of the Term to allow the City sufficient time to complete close-out activities for this Subaward (the "Reimbursement Deadline"). Any Reimbursement Request submitted after the Reimbursement Deadline shall be rejected unless approved by the Mayor's Office in advance of the Reimbursement Deadline. After the Reimbursement Deadline, any unexpended Subaward funds may be re-directed to other needs across the LA/LBUA region. The City will notify Subrecipient, in writing, when unexpended Subaward funds may be re-directed.

H. Subrecipient acknowledges that the City makes no commitment to disburse Subaward funds beyond the terms set forth herein and that funding for all periods during the Subaward Term is subject to the continuing availability to the City of federal funds for this Subaward from CalOES and the Federal awarding agency. This Agreement may be terminated immediately upon written notice to Subrecipient of any loss or reduction of Subaward funds.

I. Subrecipient shall comply with all federal, state, and local laws and regulations for vaccine requirements. Each Subrecipient shall comply with their own policies and mandates for Covid-19 vaccine requirements.

§2.3 DHS and CalOES Requirements

Subrecipient shall comply with all Requirements promulgated by DHS (which is the Federal awarding agency for this Subaward) and CalOES which are applicable to this particular Subaward and set forth in Section 2.1. Some of these DHS and CalOES Requirements are set forth below in this Section 2.3.

A. Subrecipient will not use Subaward funds to supplant (replace) funds that have been budgeted for the same purpose through non-federal sources. Upon request by the City, CalOES and/or the Federal awarding agency, Subrecipient shall be required to demonstrate and document that a reduction in non-Federal resources occurred for reasons other than the receipt or expected receipt of Subaward funds. Subrecipient shall not charge any costs allocable under this Subaward to any other Federal award to overcome fund deficiencies, to avoid restrictions imposed by Federal statutes, regulations, or terms and conditions of Federal awards, or for other reasons. Subrecipient shall not be delinquent in the repayment of any Federal debt. Subrecipient must request instruction from the City and CalOES for proper disposition of any original or replacement equipment acquired with Subaward funds.

B. Subrecipient shall comply with the requirement of 31 U.S.C. Section 3729-3733, which sets forth that no subgrantee, recipient or subrecipient of

federal funds or payments shall submit a false claim for payment, reimbursement or advance. Subrecipient agrees to be subject to the administrative remedies as found in 38 U.S.C. Section 3801-3812 for violations of this requirement.

C. Subrecipient shall comply with the provisions of *DHS Specific Acknowledgements and Assurances* section set forth in the DHS Standard Conditions and the *Reporting Accusations and Findings of Discrimination* section of the CalOES Assurances.

D. Subrecipient shall comply with the provisions of the *Lobbying and Political Activities* section set forth in the CalOES Assurances. In connection thereto, Subrecipient hereby certifies that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of Subrecipient, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, Subrecipient shall complete and submit Standard Form-LLL "Disclosure Form to Report Lobbying" in accordance with its instructions.
3. Subrecipient shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Subrecipient shall comply with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and §§7324-7328) which limits the political activities of employees whose principal employment activities are funded in whole or in part with federal funds.

E. As required by Executive Orders (EO) 12549 and 12689, and 2 CFR §200.213 and codified in 2 CFR Part 180, Subrecipient shall provide protection against waste, fraud and abuse by debarring or suspending

those persons deemed irresponsible in their dealings with the Federal government. Subrecipient hereby certifies that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

2. Have not within a three-year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

3. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph 2.3.G.b. above; and

4. Have not within a three-year period preceding this Agreement had one or more public transactions (Federal, State, or local) terminated for cause or default.

F. Subrecipient shall comply with the Drug-Free Workplace Act of 1988 (41 U.S.C. §701 et seq.) which is adopted at 2 CFR Part 3001. In connection thereto, Subrecipient hereby certifies that it will or will continue to provide a drug-free workplace and a drug-free awareness program as outlined in such Act.

G. Subrecipient shall comply with all Federal statutes relating to non-discrimination, including, without limitation, those statutes and provisions set forth in the *Non-Discrimination and Equal Employment Opportunity* section of the CalOES Assurances.

Subrecipient hereby certifies that it will comply with the Americans with Disabilities Act, 42 U.S.C. §12101 *et seq.,* and its implementing regulations (ADA), the Americans with Disabilities Act Amendments Act of 2008 (ADAAA), Pub. L. 110-325 and all subsequent amendments, Section 504 of the Rehabilitation Act of 1973 (Rehab. Act), as amended, 29 U.S.C. 794 and 24 CFR Parts 8 and 9, the Uniform Federal Accessibility Standards (UFAS), 24 CFR, Part 40, and the Fair Housing Act, 42 U.S.C. 3601, *et seq.*; 24 CFR Parts 100, 103, and 104 (FHA) and all implementing regulations. Subrecipient will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services and activities in

accordance with the provisions of the ADA, the ADAAA, the Rehab Act, the UFAS and the FHA and all subsequent amendments. Subrecipient will not discriminate against persons with disabilities or against persons due to their relationship to or association with a person with a disability. Any contract entered into by Subrecipient (or any subcontract thereof), relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

H. Subrecipient shall comply with the provisions set forth in the *Environmental Standards* section of the CalOES Assurances.

I. Subrecipient shall comply with the provisions set forth in the *Reporting-Accountability* section of the CalOES Assurances, which relate to compliance with the Federal Funding Accountability and Transparency Act and statutory requirements for whistleblower protections.

J. Subrecipient shall comply with the provisions set forth in the *Human Trafficking* section of the CalOES Assurances, which relate to compliance with the Trafficking Victims Protection Act (TVPA) of 2000.

K. Subrecipient shall comply with the provisions set forth in the *Labor Standards* section and *Worker's Compensation* section of the CalOES Assurances, which relate to compliance with various Federal statutes regarding labor standards and State worker's compensation requirements.

L. Subrecipient shall comply with the provisions set forth in the *Property-Related* section of the CalOES Assurances and the provisions applicable to construction projects as set forth in the *Certifications Applicable to Federally-Funded Construction Projects* section of the CalOES Assurances.

M. Subrecipient acknowledges the applicability of the Freedom of Information Act and the California Public Records Act to certain information as more fully set forth in the *Freedom of Information Act* section of the CalOES Assurances.

N. Subrecipient shall comply with the provisions set forth in the *Best Practices for Collection and Use of Personally Identifiable Information (PII)* section of the CalOES Assurances.

O. Subrecipient shall comply with the provisions set forth in the *Acknowledgement of Federal Funding from DHS* and *Use of DHS Seal, Logo and Flags* section of the CalOES Assurances, which relate to requirements for acknowledging the use of federal funds and obtaining approval for use of various DHS seals and logos.

P. Subrecipient shall affix applicable copyright notices as required under the *Copyright* section of the CalOES Assurances and shall comply with and be subject to the provisions set forth in the *Patents and Intellectual Property Rights* section of the DHS Standard Conditions and the CalOES Assurances.

Q. If the total value of Subrecipient's currently active grants, cooperative agreements, and procurement contracts from all Federal assistance office exceeds $10,000,000.00 for any period of time during the period of performance of this Subaward, Subrecipient shall comply with the provisions set forth in the *Reporting of Matters Related to Recipient Integrity and Performance* section of the DHS Standard Conditions and the CalOES Assurances.

R. Subrecipient shall comply with the SAFECOM Guidance for Emergency Communication Grants when using Subaward funds in connection with emergency communication equipment, including provisions on technical standards that ensure and enhance interoperable communications.

S. Subrecipient shall establish safeguards to prohibit employees from using their positions for a purpose that constitutes, or presents the appearance of personal or organizational conflict of interest or personal gain. Subrecipient shall comply with all Federal and State conflict of interest laws and regulations.

T. Subrecipient shall comply with California Vehicle Code sections 23123 and 23123.5, and the provisions set forth in the *Use of Cellular Device While Driving is Prohibited* section of the CalOES Assurances.

U. Subrecipient must ensure that any project activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

V. Subrecipient shall comply with the provisions set forth in the following sections of the DHS Standard Conditions and the CalOES Assurances; *(1) Energy Policy and Conservation Act, (2) Hotel and Motel Fire Safety Act of 1990, (3) Terrorist Financing E.O. 13224 ("Terrorist Financing"* in CalOES Assurances*), (4) Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act of 2001, Pub. L. 107-56 ("USA Patriot Act of 2001"* in CalOES Assurances*), (5) Fly America Act of 1974, and (6) Whistleblower Protections* and *Whistleblower Protection Act.*

W. Subrecipient acknowledges and shall comply with the following Special Conditions and Corrective Actions applicable to this UASI 25 Subaward:

1. Subaward funding is subject to restricted drawdown for the duration of the Term;
2. Subrecipient shall submit sufficient documentation to support expenditures prior to reimbursement or advance of funds. Documentation must include invoices, timesheets, evidence supporting overtime and backfill costs, canceled checks or other proof of payment, and copies of related contracts (See §2.2.G). CalOES may request additional procurement material. CalOES will not issue reimbursement or advance payment until the documentation is reviewed and the payment is determined to be adequately supported;
3. The professional services agreement between Motorola and LA-RICS for the LMR System may not be used to purchase subscriber equipment unless meeting one of four federal exceptions to necessitate noncompetitive procurement;
4. Failure to comply with these conditions may result in disallowed costs or additional restrictions on current and future subaward funding, pursuant to 2 CFR §200.205 and §200.338.

§2.4 Uniform Requirements for Federal Awards

Subrecipient acknowledges that this Subaward is a "Federal award" as such term is defined in 2 CFR §200.38 and that Subrecipient's use of this Subaward is subject to the uniform administrative requirements, cost principles, and audit requirements for Federal awards which are codified in 2 CFR Part 200 (the "Uniform Requirements"). Subrecipient agrees that it is considered a "non-Federal entity" and a "subrecipient" as such terms are defined in 2 CFR §§200.69 and 200.93, respectively. Thus, Subrecipient hereby agrees to comply with, and be subject to, all provisions, regulations and requirements applicable to a "subrecipient" and a "non-Federal entity" as set forth in the Uniform Requirements. Further, Subrecipient agrees that the City and CalOES are each a "pass-through entity" as such term is defined in 2 CFR §200.74 and that each of them shall have the rights and remedies of a "pass-through entity" in relation to this Subaward and Subrecipient as set forth in the Uniform Requirements. Without limitation, some of these Uniform Requirements are set forth below in this Section 2.4.

A. Subrecipient shall disclose to the City any potential conflict of interest in connection to this Subaward and its use in accordance with 2 CFR §200.112.

B. Subrecipient shall comply with the mandatory disclosure requirements for violations of Federal criminal law involving fraud, bribery, or gratuity as set forth in 2 CFR §200.113.

C. Subrecipient acknowledges that the City may impose additional specific conditions to this Subaward in accordance with 2 CFR §200.207, and

Subrecipient shall comply with such conditions, including, but not limited to, the sampling of procurements and equipment to ensure grant compliance during the City's bi-annual monitoring. Subrecipient shall also submit any annual certifications and representations deemed required by the City in accordance with 2 CFR §200.208.

D. Financial Management and Internal Controls

Subrecipient shall comply with the requirements for a non-Federal entity regarding financial management and the establishment of a financial management system, all as more fully set forth in 2 CFR §200.302. Further, Subrecipient shall comply with the requirements set forth in 2 CFR §200.303, which relate to certain obligations required of Subrecipient to maintain internal controls over the use of this Subaward.

Subrecipient shall complete and submit an annual Grants Management Assessment Form to the City (Exhibit G) to evaluate risk and determine grant funding eligibility.

E. In the event this Subaward requires cost sharing or matching of funds from Subrecipient, Subrecipient shall comply with the cost sharing and matching requirements set forth in 2 CFR §200.306.

F. Subrecipient shall comply with the requirements relating to program income as more fully set forth in 2 CFR §200.307.

G. Property Standards

When property (real, tangible or intangible) is, in whole or in part, improved, developed, purchased or otherwise acquired with Subaward funds, Subrecipient shall comply with the regulations set forth in 2 CFR §§200.310 through 200.316 ("Property Regulations"). These Property Regulations include, without limitation, provisions related to the following:

1. Requirements for insurance coverage for real property and equipment.
2. Requirements for title, use, disposition and transfer of title of "real property" (as defined in 2 CFR §200.85).
3. Regulations involving Federally-owned and exempt property.
4. Requirements for title, use, management (including recordkeeping, inventory, control systems and maintenance procedures), and disposition of "equipment" (as defined in 2 CFR §200.33).
5. Requirements for title, use and disposition of "supplies" (as defined in 2 CFR §200.94).
6. Requirements for title, rights, use and disposition of "intangible property" (as defined in 2 CFR §200.59). Such requirements include, without limitation, (a) a reservation of rights by the Federal awarding agency to a royalty-free, non-exclusive and irrevocable

right to use certain copyrighted work or work subject to copyright, (b) the rights of the Federal government to data produced under the Subaward, (c) the applicability of the Freedom of Information Act to certain research data produced or acquired under the Subaward, and (d) Subrecipient's compliance with applicable regulations governing patents and inventions, including government wide regulations codified at 37 CFR Part 401.

Subrecipient agrees that it shall hold in trust all real property, equipment and intangible property acquired, developed or improved with Subaward funds in accordance with the provisions set forth in 2 CFR §200.316.

H. Procurement and Contracting Regulations

When procuring and/or contracting for property and/or services that are to be paid or reimbursed by any amount of Subaward funds, Subrecipient shall comply with all regulations applying to "non-Federal entities" as set forth in 2 CFR §§200.318 through 200.326 (the "Procurement Regulations"). These Procurement Regulations include, without limitation, provisions requiring the following:

1. Documentation and use of procurement procedures in compliance with Procurement Regulations.
2. Contracting oversight and maintenance of written standards of conduct covering conflicts of interest.
3. Compliance with federal standards regarding procurement and award of contracts, competition, and procurement methods.
4. Affirmative steps required to encourage contracting with small and minority businesses, women's business enterprises, and labor surplus area firms.
5. Compliance with Section 6002 of the Solid Waste Disposal Act in the procurement of recovered materials.
6. Requirement to perform a cost or price analysis in connection with procurements.
7. Bonding requirements.
8. Requirement to make procurement documentation available for review by the City, CalOES and the Federal awarding agency.

In addition, Subrecipient must include in all of its contracts paid or reimbursed in whole or in part with Subaward funds the provisions set forth in Appendix II to 2 CFR Part 200 (Contract Provisions for non-Federal Entity Contracts under Federal Awards) as required by 2 CFR §200.326.

I. Financial and Performance Monitoring and Reporting

Subrecipient shall comply with the monitoring requirements for a non-Federal entity as set forth in 2 CFR §200.328, which requires the Subrecipient to oversee and monitor activities supported by the Grant to assure compliance with applicable Federal requirements and performance expectations. Further, Subrecipient shall comply with the financial and performance reporting requirements for a non-Federal entity as set forth in 2 CFR §§200.327 to 200.329 and any other reporting requirements that may be promulgated by the Federal awarding agency, CalOES or the City in accordance with such regulations. Such reporting requirements include the provision of any information required for the assessment or evaluation of any activities funded by the Subaward and the reporting of information related to real property in which the Federal government retains an interest.

Subrecipient acknowledges that the City, as a "pass-through entity," may make various findings, determinations, evaluations and reports regarding Subrecipient and its use of Subaward funds, as set forth in 2 CFR §§200.330 to 200.332. In accordance with such regulations, Subrecipient shall comply with, and timely grant to the City and its auditors, any monitoring requests, requests for on-site access to facilities, equipment and personnel, and requests for any other information as may be authorized under such regulations. Subrecipient shall also timely grant to the City and its auditors access to Subrecipient's records and financial statements as required under 2 CFR §200.331(a)(5). In addition, Subrecipient shall comply with any conditions that may be placed upon Subrecipient as part of the City's risk evaluation of Subrecipient under 2 CFR §200.331(b).

J. Record Retention and Access

Subrecipient shall comply with all records retention, maintenance, storage, transmission, and collection requirements applicable to a non-Federal entity as set forth in 2 CFR §§200.333 to 200.335.

In accordance with the provisions set forth in 2 CFR §200.336, Subrecipient hereby grants the Federal awarding agency, the Inspectors General, the Comptroller General of the United States, CalOES, and the City, or any of their authorized representatives, the right of access to any documents, papers, or other records of Subrecipient which are pertinent to the Subaward, in order to make audits, examinations, excerpts, and transcripts. This right also includes timely and reasonable access to Subrecipient's personnel for the purpose of interview and discussion related to such documents. These access rights shall not be limited to any required record retention period but last as long as the records are retained, and access shall not otherwise be limited unless as specifically permitted under 2 CFR §§200.336 to 200.337.

Subrecipient shall require any of its subrecipients, contractors, successors, transferees and assignees to acknowledge and agree to comply with the provisions of this Section.

K. Cost Principles

Subrecipient shall comply with the cost principles for federal awards as set forth in 2 CFR Part 200 Subpart E ("Cost Principles"). Subrecipient acknowledges and agrees that any costs incurred by Subrecipient may only be charged to or reimbursed by Subaward funds if it is incurred in compliance with all Requirements for the Subaward and is also deemed allowable and allocable under the Subaward in accordance with the provisions set forth in the Cost Principles.

L. Audit Requirements

By virtue of using Subaward funds, Subrecipient acknowledges and agrees that it is subject to the provisions set forth in 2 CFR Part 200 Subpart F ("Audit Requirements"). Subrecipient shall comply with all provisions applicable to a non-Federal entity and an "auditee" (as defined in 2 CFR §200.6) as set forth in such Audit Requirements, including the requirement to conduct a single audit if applicable.

M. Closeout and Post Closeout

Subrecipient shall comply with the obligations applicable to a non-Federal entity as it pertains to the closeout of this Subaward as set forth in 2 CFR §200.343. Subrecipient acknowledges and agrees that it shall continue to comply with the post closeout obligations set forth in 2 CFR §200.344 after closeout of the Subaward and expiration of the Term of this Agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

III. STANDARD PROVISIONS

§3.1 Independent Party

Subrecipient is acting hereunder as an independent party, and not as an agent or employee of the City. No employee of Subrecipient is, or shall be, an employee of the City by virtue of this Agreement, and Subrecipient shall so inform each employee organization and each employee who is hired or retained under this Agreement. Subrecipient shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of the City by virtue of this Agreement.

§3.2 Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Agreement have been inserted for convenience and shall not be deemed to affect the meaning or construction of any of the terms or provisions hereof. The language of this Agreement shall be construed according to its fair meaning and not strictly for or against either party. The word "Subrecipient" herein and in any amendments hereto includes the party or parties identified in this Agreement. The singular shall include the plural. If there is more than one Subrecipient as identified herein, unless expressly stated otherwise, their obligations and liabilities hereunder shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

§3.3 Applicable Law, Interpretation and Enforcement

1. Each party's performance hereunder shall comply with all applicable laws of the United States of America, the State of California, the County and City of Los Angeles, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing laws which affect employees. This Agreement shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. Subrecipient shall comply with new, amended, or revised laws, regulations, and/or procedures that apply to the performance of this Agreement.
2. In any action arising out of this Agreement, Subrecipient consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state and federal courts located in Los Angeles County, California.
3. If any part, term or provision of this Agreement shall be held void, illegal, unenforceable, or in conflict with any law of a federal, state or local government having jurisdiction over this Agreement, the validity of the remaining parts, terms or provisions of this Agreement shall not be affected thereby.

§3.4 Integrated Agreement

This Agreement sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous agreements or

understandings, whether written or oral, relating thereto. This Agreement may be amended only as provided for herein.

§3.5 Excusable Delays

In the event that performance on the part of any party hereto shall be delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder shall include, but not be limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes, freight embargoes or delays in transportation; to the extent that they are not caused by the party's willful or negligent acts or omissions and to the extent that they are beyond the party's reasonable control.

§3.6 Breach

Except for excusable delays as described in §3.5 herein, if any party fails to perform, in whole or in part, any promise, covenant, or agreement set forth herein, or should any representation made by it be untrue, any aggrieved party may avail itself of all rights and remedies, at law or equity, in the courts of law. Said rights and remedies are cumulative of those provided for herein except that in no event shall any party recover more than once, suffer a penalty or forfeiture, or be unjustly compensated.

§3.7 Prohibition Against Assignment or Delegation

Subrecipient may not, unless it has first obtained the written permission of the City:

1. Assign or otherwise alienate any of its rights hereunder, including the right to payment; or
2. Delegate, subcontract, or otherwise transfer any of its duties hereunder.

§3.8 Indemnification

A. Each of the parties to this Agreement is a public entity. In contemplation of the provisions of Section 895.2 of the Government Code of the State of California imposing certain tort liability jointly upon public entities, solely by reason of such entities being parties to an Agreement as defined by Section 895 of said Code, the parties hereto, as between themselves, pursuant to the authorization contained in Sections 895.4 and 895.6 of said Code, will each assume the full liability imposed upon it or upon any of its officers, agents, or employees by law, for injury caused by a negligent or wrongful act or omission occurring in the performance of this Agreement, to the same extent that such liability would be imposed in the absence of Section 895.2 of said Code. To achieve the above-stated purpose, each party indemnifies and holds harmless the other party solely by virtue of said Section 895.2. The provision of Section 2778 of the California

Civil Code is made a part hereto as if fully set forth herein. Subrecipient certifies that it has adequate self-insured retention of funds to meet any obligation arising from this Agreement.

B. Pursuant to Government Code Sections 895.4 and 895.6, the parties shall each assume the full liability imposed upon it, or any of its officers, agents or employees, by law for injury caused by any negligent or wrongful act or omission occurring in the performance of this Agreement.

1. Each party indemnifies and holds harmless the other party for any loss, costs, or expenses that may be imposed upon such other party by virtue of Government Code section 895.2, which imposes joint civil liability upon public entities solely by reason of such entities being parties to an agreement, as defined by Government Code section 895.

2. In the event of third-party loss caused by negligence, wrongful act or omission by both Parties, each party shall bear financial responsibility in proportion to its percentage of fault as may be mutually agreed or judicially determined. The provisions of Civil Code Section 2778 regarding interpretation of indemnity agreements are hereby incorporated.

§3.9 Subcontractor Assurances

Subrecipient shall contractually obligate all of its contractors, subcontractors and vendors funded by Subaward funds as may be required to ensure that Subrecipient can comply with all of the Requirements and other provisions of this Agreement.

§3.10 Remedies for Noncompliance

Subrecipient acknowledges and agrees that, in the event Subrecipient fails to comply with the terms and conditions of this Agreement or with any Requirements referenced in Section 2.1 above, the Federal awarding agency, CalOES or the City shall have the right to take one or more of the actions set forth in 2 CFR §200.338. Such actions may include, without limitation, the withholding of cash payments, suspension and/or termination of the Subaward, and the disallowing of certain costs incurred under the Subaward. Any costs incurred by Subrecipient during a suspension or after termination of the Subaward shall not be considered allowable under the Subaward unless allowed under 2 CFR §200.342. Subrecipient shall be liable to the Federal awarding agency, CalOES and the City for any Subaward funds the Federal awarding agency or CalOES determines that Subrecipient used in violation of any Requirements reference in Section 2.1 above, and Subrecipient shall indemnify and hold harmless the City for any sums the Federal awarding agency or CalOES determines Subrecipient used in violation of such Requirements.

Subrecipient shall be granted the opportunity to object to and challenge the taking of any remedial action by the Federal awarding agency, CalOES or the City in accordance with the provisions set forth in 2 CFR §200.341.

§3.11 Termination

Subrecipient acknowledges and agrees that the Subaward, and any obligation to disburse to or reimburse Subrecipient in connection thereto, may be terminated in whole or in part by the Federal awarding agency, CalOES or the City as set forth in 2 CFR §200.339. Subrecipient shall have the right to terminate the Subaward only as set forth in 2 CFR §200.339. In the event the Subaward is terminated, all obligations and requirements of this Agreement and the Grant shall survive and continue in full force and effect in connection with any portion of the Subaward remaining prior to such termination, including, without limitation, the closeout and post closeout requirements set forth in this Agreement.

§3.12 Amendments

Any change in the terms of this Agreement, including the performance period of the Subaward and any increase or decrease in the amount of the Subaward, which are agreed to by the City and Subrecipient shall be incorporated into this Agreement by a written amendment properly executed and signed by the person authorized to bind the parties thereto.

§3.13 Complete Agreement

This Agreement sets forth all of the rights and duties of the parties with respect to the subject matter hereof, and replaces any and all previous agreements or understandings, whether written or oral, relating thereto. This Agreement may be amended only as provided for herein and neither verbal agreement nor conversation with any officer or employee of either party shall affect or modify any of the terms and conditions of this Agreement.

This Agreement may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The parties further agree that facsimile signatures or signatures scanned into .pdf (or signatures in another electronic format designated by City) and sent by e-mail shall be deemed original signatures.

This Agreement includes twenty-one (21) pages and six Exhibits which constitute the entire understanding and agreement of the parties.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the City and Subrecipient have caused this Subaward Agreement to be executed by their duly authorized representatives.

Anticipated Contracts, FY 25 UASI

City Department	Project Description	Maximum Cost	Contract Term
EMD	**Special Events Coordinator (SEC)** The Emergency Management Department (EMD) Special Events Coordinator (EMSEC) project will sustain and enhance the City of Los Angeles' capability to coordinate emergency management planning, preparedness, response, and recovery efforts associated with local and regional special events, public-private initiatives, and emerging incidents. The EMSEC will act as the EMD liaison to incidents and/or special events that arise locally and regionally, and will provide strategic leadership, interagency coordination, and subject matter expertise for emergency management activities related to major planned events and regional initiatives, while serving as a liaison between City departments, public and private partners, and regional stakeholders. The position will support the operationalization of critical emergency management programs and initiatives, identify and address capability gaps associated with large-scale and high-profile events, and develop recommendations and solutions to strengthen community preparedness, continuity, and regional coordination efforts.	$150,000.00	33 months
EMD	**DSCA Exercise Series** The Emergency Management Department (EMD) Defense Support of Civil Authorities (DSCA) Exercise Series project will enhance the City of Los Angeles' capability to coordinate emergency operations and regional response efforts with military and federal partners during disasters, large-scale incidents, and special events that exceed local response capacity. Through the procurement of a consultant to design, coordinate, and execute a series of seminars, workshops, tabletop exercises, and drills, the project will evaluate Emergency Operations Center (EOC) coordination capabilities, regional interoperability, and civil-military coordination during DSCA deployments. The exercise series will incorporate lessons learned and best practices from prior exercises to identify capability gaps, strengthen responder readiness, improve regional coordination among emergency management and military partners, and enhance the City's ability to rapidly respond to and recover from natural or human-caused hazards.	$125,000.00	33 months
EMD	**Annual EOC Functional Exercise** The Emergency Management Department (EMD) Emergency Operations Center (EOC) Functional Exercise project will enhance the City of Los Angeles' capability to coordinate and manage large-scale emergency operations through the execution of a Level I EOC Functional Exercise based on identified core capabilities, threats, and hazards outlined in the Integrated Preparedness Plan (IPP). The project will procure a consultant to design, coordinate, and conduct a professionally facilitated functional exercise that will test the City's highest level EOC activation capabilities and evaluate regional coordination among City departments, the County of Los Angeles, and partner agencies. Implementation of this project will strengthen responder readiness, improve operational coordination and decision-making, identify capability gaps, and enhance the City's ability to effectively respond to and recover from natural or human-caused incidents impacting the region.	$100,000.00	33 months
LAPD	**Operations and Maintenance to Existing Systems** The Operations and Maintenance to Existing Systems project will sustain and enhance the City of Los Angeles' interoperable Land Mobile Radio (LMR) communications system to ensure reliable, region-wide communications capabilities for first responders and partner agencies during daily operations and emergency incidents. The project supports continued system reliability, enhanced roaming and interoperability capabilities, shared emergency communications channels, and real-time coordination of resources during high-alert and regional incidents. Continued maintenance and operational support of the system will strengthen responder safety, improve regional coordination, and ensure uninterrupted communications capabilities critical to emergency response and incident management.	$700,000.00	33 months

LAPD	**Bomb Squad Training** LAPD Bomb Squad Regional project supports regional homeland security capabilities by providing specialized, advanced training, equipment modernization, and interoperability tracking for the LAPD Bomb Squad (Emergency Services Division). Funding will sustain core CBRNE (Chemical, Biological, Radiological, Nuclear, and Explosive) and Explosive Ordnance Disposal (EOD) readiness for 26 FBI-certified bomb technicians responding to over 400 high-risk service calls annually within the high-threat, high-density Los Angeles urban area. Anticipated contracts include specialized tactical courses (including render-safe techniques, post-blast investigations, robotics, and threat assessments aligned with NBSCAB guidelines) and advanced data-tracking system development to manage, audit, and verify complex federal and state training compliance metrics. This project directly addresses regional THIRA/SPR gaps by enhancing the team's ability to prevent, protect against, mitigate, and respond to improvised explosive devices (IEDs), weaponized chemical compounds, and catastrophic terrorist incidents.	$100,000.00	33 months
Cybersecurity	**Cyber Threat Intelligence Sharing Platform (TISP)** The TISP project will support regional intelligence, information sharing, and operational coordination efforts. The increasing complexity of threats and the growing need for timely, cross-jurisdictional intelligence require sustained regional collaboration and analytical support. Many local jurisdictions continue to face limited capacity to fully engage in structured intelligence and information sharing initiatives. This funding will support enhanced coordination functions, improve interoperability across partner agencies, and strengthen the region's ability to identify, assess, and respond to emerging threats.	$200,000.00	33 months
ITA	**MS-ISAC Monitoring and Analysis Service** The MS-ISAC project will support continued cybersecurity monitoring and threat analysis services for City departments. This project will sustain 24/7 real-time network flow monitoring, security event detection, and incident notification and response support. MS-ISAC services collect, correlate, and analyze network security data across City systems to identify potential threats and vulnerabilities. Through continuous monitoring and technical assistance, the program will enhance the City's ability to detect, respond to, and mitigate cyber threats that could impact critical infrastructure and essential services.	$150,000.00	33 months
Harbor	**Land Mobile Radio Maintenance** The Operations and Maintenance to Existing Systems project will sustain and enhance the City of Los Angeles' interoperable Land Mobile Radio (LMR) communications system to ensure reliable, region-wide communications capabilities for first responders and partner agencies during daily operations and emergency incidents. The project supports continued system reliability, enhanced roaming and interoperability capabilities, shared emergency communications channels, and real-time coordination of resources during high-alert and regional incidents. Continued maintenance and operational support of the system will strengthen responder safety, improve regional coordination, and ensure uninterrupted communications capabilities critical to emergency response and incident management.	$700,000.00	33 months
LAWA	**Operations and Maintenance to Existing Systems** The Operations and Maintenance to Existing Systems project will support the sustainment and upgrade of the City of Los Angeles' existing P25 trunked Land Mobile Radio (LMR) system in support of regional emergency communications and interoperability capabilities. The project will ensure reliable, region-wide communications for first responders and partner agencies during daily operations, planned events, and emergency incidents through continued system maintenance, operational support, and infrastructure enhancements. The project supports enhanced roaming and interoperability capabilities, shared emergency communications channels, and real-time coordination of resources during high-alert and regional incidents, while strengthening responder safety, regional coordination, and uninterrupted communications capabilities critical to emergency response and incident management.	$700,000.00	33 months
Management & Administration	**Grant Administration Services** The Mayor's Office requests authority to enter into contract with a temporary employment agency and/or other vendors to assist with grant administration and cybersecurity-related functions. These projects will support administrative, fiscal, monitoring, contractual, and cybersecurity-ITA services to provide effective management, oversight, compliance, and implementation of grant-funded programs and projects.	$100,000.00	33 months
Total		**$3,025,000.00**
