PUBLIC WORKS

MOTION

The public alleyway located east of Coil Avenue and west of Alameda Street between Colon Street and the Pacific Coast Highway, as well as the surrounding area beneath the Pacific Coast Highway overpass near Alameda Street, has become a public nuisance. This area has been the site of repeated illegal dumping, the accumulation of hazardous materials, and other public safety concerns that pose potential fire hazards, threaten surrounding properties, and create unsafe conditions for the nearby community.

Pursuant to California Vehicle Code Section 21101.4, the City is authorized to temporarily close public streets and alleyways for up to eighteen months, subject to a public hearing and the required findings, to address serious and continual criminal activity and/or illegal dumping.

I THEREFORE MOVE that the City Engineer be instructed to report with recommendations to temporarily close the alley east of Coil Avenue and west of Alameda Street between Colon Street and the Pacific Coast Highway, pursuant to California Vehicle Code Section 21101.4.
